How To Make A Better Robot Answer Key Readworks:

Virtual Educational Therapy Marion E. Marshall, 2022-06-20 Virtual Educational Therapy presents a board certified educational therapist's year long case study of clinical supports and advocacy for a student with learning disabilities who is attending school remotely during the COVID 19 pandemic. With online and blended learning now the norm in K 12 education, educational therapists need new models of intervention, treatment, and relationship building for their child age clients. This book offers detailed single case research focused on a middle school student who is learning virtually while challenged with ADHD as well as visual and verbal memory issues but who is nonetheless found ineligible for special education services. Across eight chapters, author and renowned educational therapist Marion E. Marshall describes the neuropsychological principles, research based techniques, personal interactions, clinical approaches, and advocacy efforts that led to a vulnerable student's significant gains in academic skills and outcomes.
