Warner as they discover the secret behind what makes things funny In their search they interview countless comics from Doug Stanhope to Louis CK and travel across the globe from Norway to New York from Palestine to the Amazon It s an epic quest both brainy and harebrained that culminates at the world s largest comedy festival where the pair put their hard earned knowledge to the test For the first time they have established a comprehensive theory that answers the question what makes things funny Based on original research from the Humor Research Lab HuRL at the University of Colorado Boulder and the pair s experiences across the globe The Humor Code explains the secret behind winning the New Yorker cartoon caption contest why some dead baby jokes are funnier than others and whether laughter really is the best medicine Hilarious surprising and sometimes even touching The Humor Code lays out a convincing theory about how humor works and why it s an essential survival mechanism Mother Jones

Aristophanic Humour Peter Swallow, Edith Hall, 2020-06-11 This volume sets out to discuss a crucial question for ancient comedy what makes Aristophanes funny Too often Aristophanes humour is taken for granted as merely a tool for the delivery of political and social commentary But Greek Old Comedy was above all else designed to amuse people to win the dramatic competition by making the audience laugh the hardest Any discussion of Aristophanes therefore needs to take into account the ways in which his humour actually works This question is addressed in two ways The first half of the volume offers an in depth discussion of humour theory a field heretofore largely overlooked by classicists and Aristophanists examining various theoretical models within the specific context of Aristophanes eleven extant plays In the second half contributors explore Aristophanic humour more practically examining how specific linguistic techniques and performative choices affect the reception of humour and exploring the range of subjects Aristophanes tackles as vectors for his comedy A focus on performance shapes the narrative since humour lives or dies on the stage it is never wholly comprehensible on the page alone
