## ◆ PAY AND SCHEDULING INFORMATION

### TIME CLOCK

You will be paid according to the amount of time indicated by your clock in/out on the Kronos Timekeeper. Therefore, make sure you always "clock-in" (swipe your card) the moment before beginning work, and "clock-out" immediately after completing your work shift. If at any time you forget to do either, inform your Department Supervisor who will enter the correct time into the system.

If you pick up a shift in a department other than your Home Department, speak to the supervisor to assist in recording your hours.

Unexplained clocking irregularities can result in disciplinary actions up to, and including, dismissal. Therefore, never "clock-in" for time that you are not working and never swipe anyone else's card through the timekeeper for any reason. Both the person swiping another person's card into the timekeeper and the card holder may be dismissed. Failure to clock-out immediately upon the conclusion of a work shift also violates ASUCLA time clock procedures and warrants possible dismissal.

### PAY

Paydays occur every other Wednesday. You may pick up your check from the Store Manager's Office or designated Store Office after noon on each payday (whenever the Store Manager's Office is mentioned, refer to your own Store Office). They will remain there for one pay period. If a paycheck is not picked up by then, it will be returned to the Payroll Office in Kerckhoff Hall 219. Please ensure that the address indicated on the check is accurate. If it is not, notify your Department Manager.

Should you fail to receive a check or have problems regarding its amount, contact your Department Manager.

ASUCLA provides the option of "Direct Deposit". Instead of picking up your paycheck at your Store Office, it can be deposited automatically into your bank account. If you wish to choose this option, contact Payroll at ext. 48823.

### ATTENDANCE

Your attendance record is very important. Department policy states that you are directly responsible for all assigned hours, and hours you are having covered. It is imperative that you have any shift covered that you cannot work, and that you call in if you are going to be late for any reason. Because of the strain on the staff that a no-show or lateness causes, there is a very stringent attendance policy.

The following is ASUCLA's Attendance Policy, which applies to all ASUCLA employees. Please note that this Policy is intended to provide supervisors and managers with a guideline in addressing poor attendance. Extenuating attendance circumstances (such as overall poor attendance due to a combination of unnotified absence, excessive absence and excessive tardiness) may result in other actions.
