

A photograph of two young children standing on a rocky beach, looking out at the ocean under a blue sky. The child on the left is wearing a dark blue long-sleeved shirt and light blue jeans. The child on the right is wearing a red sweater and maroon pants, with their arm around the first child's shoulder. The ocean is a deep blue with white-capped waves breaking on the shore. The sky is a clear, bright blue.

Encouragement Larry Crabb, Dr. Dan B. Allender, 2013-05-07 According to Drs. Larry Crabb and Dan Allender, encouragement is more than a compliment or a pat on the back. It's a skill that can be mastered by anyone. Crabb and Allender ask, "What must we know in order to fulfill the biblical exhortation to encourage one another?" Encouragement provides the answer. Part one deals with understanding encouragement, and part two explores the process of encouragement, including such practical how-tos as developing a careful selection of encouraging words, cultivating active listening skills, using biblical fellowship to move beyond superficial smiles and shallow greetings, and recognizing subtle opportunities for encouragement. Without the encouragement of a caring community, biblical truth taught in church tends to just thicken people's defense layers. But authenticity, freedom, and greater love for God and others are the fruit of encouragement, and evidence of the tremendous power God invests in individuals who practice it.
