teachers and their instructors to raise and explore inquiry based questions that center on the teaching of a variety of literary texts both classic and contemporary traditional and digital New to the Fourth Edition Expanded attention to digital tools multimodal learning and teaching online New examples of teaching contemporary texts Expanded discussion and illustration of formative assessment Revised response activities for incorporating young adult literature into the literature curriculum Real world examples of student work to illustrate how students respond to the suggested strategies Extended focus on infusing multicultural and diverse literature in the classroom Each chapter is organized around specific questions that preservice teachers consistently raise as they prepare to become English language arts teachers The authors model critical inquiry throughout the text by offering authentic case narratives that raise important considerations of both theory and practice A companion website a favorite of English education instructors <http://teachingliterature.pbworks.com> provides resources and enrichment activities inviting teachers to consider important issues in the context of their current or future classrooms

**The Knowledge Gap** Natalie Wexler, 2020-08-04 Essential reading for teachers education administrators and policymakers alike STARRED Library Journal The untold story of the root cause of America's education crisis It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education The problem wasn't one of the usual scapegoats lazy teachers shoddy facilities lack of accountability It was something no one was talking about the elementary school curriculum's intense focus on decontextualized reading comprehension skills at the expense of actual knowledge In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars* Wexler brings together history research and compelling characters to pull back the curtain on this fundamental flaw in our education system one that fellow reformers journalists and policymakers have long overlooked and of which the general public including many parents remains unaware But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong it also follows innovative educators who are in the process of shedding their deeply ingrained habits and describes the rewards that have come along students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed If we truly want to fix our education system and unlock the potential of our neediest children we have no choice but to pay attention

**Teaching Literature to Adolescents** Richard Beach, Deborah Appleman, Bob Fecho, Rob Simon, 2016-03-10 This popular textbook introduces prospective and practicing English teachers to current methods of teaching literature in middle and high school classrooms It underscores the value of providing students with a range of different critical approaches and tools for interpreting texts and the need to organize literature instruction around topics and issues of interest to them Throughout the textbook readers are encouraged to raise and explore inquiry based questions in response to authentic dilemmas and issues they face in the critical literature classroom New in this edition the text shows how these approaches to fostering responses to literature also work as rich tools to address the Common Core English

Language Arts Standards Each chapter is organized around specific questions that English educators often hear in working with pre service teachers Suggested pedagogical methods are modelled by inviting readers to interact with the book through critical inquiry methods for responding to texts Readers are engaged in considering authentic dilemmas and issues facing literature teachers through inquiry based responses to authentic case narratives A Companion Website <http://teachingliterature.pbworks.com> provides resources and enrichment activities inviting teachers to consider important issues in the context of their current or future classrooms
