

7-18c: ICS II Class Activity Guide

Class Activity

For this activity, this video explains the video: <https://www.youtube.com/watch?v=3000X48b0840>

Students study following operations while watching the video. I'll give a few minutes for reflections about the video. Anytime, students can go back through video watching. You will discuss in class following the video and reflections.

1. What information was given to participants prior to the start?
2. What information was given to participants prior to the start?
3. What did you expect to happen in the participants' behavior if information was given prior?

Afterward, students independently discuss and report the operations and what they learned about video. They can go back to participating in the video at any time.

End The Day

For this activity, I'll give students some suggestions for how to improve their work and learn.

Students are independent in the ICS. After the day, suggestions are given to the students for the day.
