Kohn, 2007 *Team* David Allen, Edward Lamont, 2024-05-21 Creating Effective Teams Susan A. Wheelan, 2014-10-29 A practical guide for building and sustaining top performing teams Based on the author s many years of consulting experience with teams in the public and private sectors *Creating Effective Teams A Guide for Members and Leaders* describes why teams are important how they function and what makes them productive Susan A Wheelan covers in depth the four stages of a team forming storming norming and performing clearly illustrating the developmental nature of teams and describing what happens in each stage Separate chapters are devoted to the responsibilities of team leaders and team members Problems that occur frequently in groups are highlighted followed by what you can do sections that offer specific advice Real life examples and questionnaires are used throughout the book giving readers the opportunity for self evaluation *Engage!* Brent Hultman, 2020-06-22 How do you create high performance teams When a company and its employees align in why strengths and values it guarantees high performance But first do you know your why strengths and values Everyone has trouble finding a career company or position or all three that is a direct personal fit Conditioned behavior often clouds our inner strengths I ll be honest I used to be an ass My why and innate strengths pointed to leadership but the leadership values I learned in the Army were ineffective in the workplace I wasn t very understanding and often overlooked my team s displeasure when driving projects I just wanted to get things done I would wind up doing other people s jobs because no one can do it better than me right Wrong Every company should be invested in not only its organizational why strength and values but also its employees In this book you ll discover yourself and rethink how your past has shaped your belief about

your purpose Also as a business owner you ll learn to identify candidates that align with your company s why strengths and values so that you can form high performance teams Order now and start creating your high performance team today
