Progress Report # 1 of 1

Progress Reports are required to be sent to parents at least as often as parents are informed of their nondisabled children's progress. Each progress report must describe the student's progress toward meeting each annual goal.

11/16/2004

Student has made a smooth transition within her second grade classroom and continues to make steady progress toward her annual language arts goal. She has benefited immensely from receiving her spelling and reading fluency instruction in a separate setting with a ratio of one teacher to two students. Student should continue to work on generalizing the skills she has learned in the resource room to the general education classroom, as well as exerting the same level of effort in each setting. At this time progress is sufficient to achieve the annual goal.
