*Invisible Migrant Nightworkers in 24/7 London* Julius-Cezar MacQuarie, 2023-08-30 This book captures the hidden labour of migrant nightworkers in 24/7 London It argues that late capitalism normalises nightwork yet refuses to recognise the associated problems from lack of decent working conditions to the seizure of the workers' private time for self development family and social life The book shows how the articulation of nightworkers' subjectivities and socialities happens at the intersection between migration precarity and nightwork and traces how each of these dimensions magnifies the lived experience of the others It further reveals that any possibilities for cooperation or solidarity in the workplace between migrant nightworkers become fragile and secondary to their survival of the nightshift It also elucidates the mechanisms that hinder cohesion between vulnerable groups placed temporally and socially on a different par to the mainstream societies As such this book is an excellent resource for labour regulators experts and student researchers in migration work and gender

The book offers a deeply empathic and engaging portrayal of the production of disciplined and exploitable manual labor in permanent nightshift cities. It cogently unpacks the experiences of embodied precarity through the largely unseen micro practices of workplaces that entrap migrant laborers. The nightnographic component adds an original dimension to the inquiry. Violetta Zentai, Central European University.

**Victory in Australia** Richard Whitehead, 2025-07-03 AVAILABLE TO PRE ORDER NOW Such incredibly gripping sports writing! It was like being there. Truly Every ball. Giles Coren. Elegant and evocative, the definitive word on England's most astonishing Ashes tour ever. Matthew Engel. THE DEFINITIVE ACCOUNT OF AN EPIC ASHES BATTLE. The Ashes series of 1954-55 marked a watershed moment in the history of English cricket. Under the leadership of Len Hutton, the national team's first professional captain, one of the greatest groups of players ever to represent England won an Ashes series in Australia for the first time in more than 20 years. It is a feat that has been repeated only four times in more than 70 years since. But Hutton's men had to overcome the additional obstacle of losing heavily in the first Test; only one England team has managed to win an overseas Ashes series after such a monumental setback. The names of the cricketers who locked horns in 1954-55 resonate down the decades. Hutton's team included Denis Compton, Frank Tyson, Brian Statham, Trevor Bailey, Godfrey Evans, Peter May and Colin Cowdrey. Among their Australian opponents were Ray Lindwall, Keith Miller, Neil Harvey and Richie Benaud. In the 1950s, these players were not just elite sportsmen; they were household names. An Ashes series for the ages is brought thrillingly to life in this momentous slice of sporting and social history.
