

INDUSTRIAL TRAINING FINAL REPORT GUIDELINES

(The final report must be submitted to the Office of Industrial Liaison on or before two weeks of completion of IND 3000)

1. GENERAL GUIDELINES

1.1 THE INDUSTRIAL TRAINING FINAL REPORT

The final report is a document that summarizes the outcomes of the industrial training experience of the student. It is written by the student, in their own words, and is a condition reserved for every student participating in certain forms of industrial training or professional development courses, and in particular, Industrial Attachment (IND 3000). Each student, upon completion of their assigned work stint is required to prepare and submit an Industrial Training Final Report. The submission of this report is a pre-requisite to successful completion of Industrial Training and subsequent matriculation for continuation in the academic programme. Students are required to submit a hard copy and an electronic version to the OIL.

The formal requirements of the report include: 1.5 spacing on 8.5 x 11.0 (letter size) paper with 1 inch margins; font size 12; character Times New Roman or Arial; page number should be at the bottom of the page; and the report should be of *approximately* 2500 to 3000 words (*excluding the cover page, contents page, references and appendices*).

1.2 INTRODUCTION

A technical report is a formal report designed to convey practical information in a clear and easily accessible format. This paper explains the commonly accepted format for a technical report; it explains the purposes of the individual sections; and gives hints on how to go about drafting and refining the sections. Further, it outlines a suggested format to follow.

1.3 SUGGESTED REPORT FORMAT

i. Cover page

The cover page is the front page of the report. It must have the logo for the FET and the host organization (if available), the title of the report, your name, USI and department in the FET (for example civil, mechanical, and electrical, etc.) and the submission date. The words of the cover page do not add up to the total word count of the report.

Suggested length: 1 page

Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Industrial Training Final Report Guidelines has opened up a world of possibilities. Downloading Industrial Training Final Report Guidelines provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Industrial Training Final Report Guidelines has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Industrial Training Final Report Guidelines. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Industrial Training Final Report Guidelines. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Industrial Training Final Report Guidelines, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Industrial Training Final Report Guidelines has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
