Fuel Economy Guide, 2011 **Lemon-Aid New Cars and Trucks 2012** Phil Edmonston, 2011-01-01 Phil Edmonston
Canada's automotive Dr Phil pulls no punches. He says there's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases and free auto maintenance programs. In this all new guide he says Audis are beautiful to behold but hell to own: biodegradable transmissions, rodent snack wiring and mind boggling depreciation. Many 2011-12 automobiles have chin to chest head restraints, blinding dash reflections and dash gauges that can't be seen in sunlight, not to mention painful wind tunnel roar if the rear windows are opened while underway. Ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers. GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that killed its own electric car more than a decade ago. You can save 2,000 by cutting freight fees and administrative charges. Diesel annual urea fill up scams can cost you 300 including an 80 handling charge for 25 worth of urea. Lemon Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi and Suzuki.

Relentless Pursuit Bradley J. Edwards, 2020-03-31 This is the definitive story of the case against Jeffrey Epstein and the corrupt system that supported him, told in thrilling detail by the lawyer who has represented Epstein's victims for more than a decade. In June 2008, Florida-based victims rights attorney Bradley J. Edwards was thirty-two years old and had just started his own law firm when a young woman named Courtney Wild came to see him. She told a shocking story of having been sexually coerced at the age of fourteen by a wealthy man in Palm Beach named Jeffrey Epstein. Edwards, who had never heard of Epstein, had no idea that this moment would change the course of his life. Over the next ten years, Edwards devoted himself to bringing Epstein to justice and came close to losing everything in the process. Edwards tracked down and represented more than twenty of Epstein's victims, shined a light on his shadowy network of accomplices including Ghislaine Maxwell, and uncovered the scope of his sexually exploitative organization which reached into the highest levels of American society. Edwards gives his riveting, blow-by-blow account of battling Epstein on behalf of his clients and provides stunning details never shared before. He explains how he followed Epstein's criminal enterprise from Florida to New York to Europe to a Caribbean island and in the process became the one person Epstein most feared could take him down. Epstein and his cadre of high-priced lawyers were able to manipulate the FBI and the Justice Department, but despite making threats and attempting schemes straight out of a spy movie, Epstein couldn't stop Edwards. His small team of committed lawyers and most of all the victims who were dead set on seeing their abuser finally put behind bars.
