**The Musician's Business and Legal Guide** Mark Halloran, 2017-03-16 The Musician's Business and Legal Guide provides vital information to help demystify the music business and the complex body of law that shapes it This book answers such questions as how to protect name and copyright what is and is not legal about sampling what are the legal issues surrounding digital downloads and streaming what are the jobs of managers talent agents and publishers what are common contractual relationships between independent and major labels The new edition includes chapters not covered in depth by other books social media law TV talent shows YouTube and international copyright As in previous editions the book features clause by clause contract analyses for 360 record deals music publishing management and producer agreements

[A Simple Guide To Get An Official Artist Channel On YouTube](#) Thepssaini, 2020-07-27 Hi readers our eBook will teach you how to get an official artist channel on youtube channel and interesting thing is if you have only 1 or 2 subscribers then you are eligible for music verified badge or youtube official artist channel Moreover i will discuss about youtube official artist channel pro and cons As well what you see new after converting your normal youtube channel into youtube official artist channel

[The Complete Guide to Using Google in Libraries](#) Carol Smallwood, 2015-03-06 From the Forward by Michael Lesk Google has now developed services far beyond text search Google software will translate languages and support collaborative writing The chapters in this book look at many Google services from music to finance and describe how they can be used by students and other library users Going beyond information resources there are now successful collaboration services available from Google and others You can make conference calls

with video and shared screens using Google Hangouts Writing documents with small numbers of colleagues often involved delays while each author in sequence took over the writing and made edits Today Google Docs enables multiple people to edit the same document at once An ingenious use of color lets each participant watch in real time as the other participants edit and keeps track of who is doing what If the goal is to create a website rather than to write a report Google Sites is now one of the most popular platforms Google is also involved in social networking with services such as Google Other tools view social developments over time and space The Google Trends service for example will show you when and where people are searching for topics Not surprisingly searches for swimwear peak in June and searches for snowmobile peak in January The Complete Guide to Using Google in Libraries Volume 2 Research User Applications and Networking has 30 chapters divided into four parts Research User Applications Networking Searching The contributors are practitioners who use the services they write about and they provide how to advice that will help public school academic and special librarians library consultants LIS faculty and students and technology professionals
