Instructor Manual For Contemporary Logistics:

Contemporary Logistics Donald F. Wood, James C. Johnson, 1999 For undergraduate graduate level courses in Logistics Logistics Channels Physical Distribution Materials Management and Supply Chain Management Using real world case studies throughout this exploration of contemporary logistics describes the entire supply channel system from inbound movement of freight through materials management to physical distribution to customers State of the art in perspective it highlights topics that affect logistics channels management including customer service packaging inventory management traffic management and creating value added linkages in the supply chain *Instructor's Manual for Contemporary Physical Distribution & Logistics* James C. Johnson, Donald F. Wood, 1982 Instructor'S Guide Farzana Quoquab, Adriana Md Rizal, Maizaitulaidawati Md Husin, Jihad Mohammad, Arif Hassan, 2018-02-01 This book is ideal for teaching subjects related to marketing management entrepreneurship and business ethics It can be used as the tool to teach students trainers in advanced undergraduate and MBA MSc classes It is widely acknowledged that only theoretical discussion does not provide the comprehensive understanding about the business decisions that are taken by the managers and or other parties involved And thus use of cases are common in business studies which not only provides students understanding about the practical aspects of the concepts that are being taught in text books but also it introduces students with several aspects of the real life dilemma complexities and challenges while working in a business environment This book contains teaching notes of the book titled A Handbook of Malaysian Cases Contemporary Issues in Marketing Management in which eleven local cases were presented The teaching notes serve as a guide for instructors who intend to utilize these cases in their classes Each teaching note includes a brief synopsis of the case learning objectives the case s target audience information about the case leading strategies relevant concepts subjects suggested assignment questions and their corresponding suggested answers In this way the instructors will have greater understanding about the use and applicability of the said eleven cases It is hoped that university lecturers practitioners and students who are undertaking courses in business studies will benefit from this book
