Let's spend the night together Subcultures Network,2023-11-07 Let s spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption education and employment so the boundaries of British morality and cultural propriety were tested and often transgressed Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper the gender bending of glam or the subterranean allure of an underground club disco the free love of the 1960s or the punk provocations in the 1970s sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour Drawing from scholarship across a range of disciplines the Subcultures Network explore how sex and sexuality were experienced presented conferred responded to and understood within the context of youth culture popular music and social change in the period between World War Two and the advent of AIDS The essays locate sex music and youth culture in the context of post war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb Field Recordings from the Inside Joe Bonomo,2017-02-14 Using as its epigraph and unifying principle Luc Sante s notion that Every human being is an archeological site Field Recordings from the Inside provides a deep and personal examination at the impact of music on our lives Bonomo effortlessly moves between the personal and the critical investigating the ways in which music defines our personalities tells histories and offers mysterious often unbidden access into the human condition The book explores the vagaries and richness of music and music making from rock and roll punk and R B to Frank Sinatra Nashville country and Delta blues as well as the work of a diverse group of artists and figures Charles Lamb music writer Lester Bangs painter and television personality Bob Ross child country musician Troy Hess and songwriter Greg Cartwright Mining the often complex natures and shapes of the creative process Field Recordings from the Inside is a singular work that blends music appreciation criticism and pop culture from one of the most critically acclaimed music writers of our time **Feast of Excess** George Cotkin,2016 Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold

*The Shattering* Kevin Boyle,2021-10-26 From the National Book Award winner a masterful history of the decade whose conflicts shattered America s postwar order and divide us still On July 4 1961 the rising middle class families of a Chicago neighborhood gathered before their flag bedecked houses a confident vision of the American Dream That vision was shattered over the following decade its inequities at home and arrogance abroad challenged by powerful civil rights and antiwar movements Assassinations social violence and the blowback of a silent majority shredded the American fabric Covering the late 1950s through the early 1970s The Shattering focuses on the period s fierce conflicts over race sex and war The civil rights movement develops from the grassroots activism of Montgomery and the sit ins through the violence of Birmingham and the Edmund Pettus Bridge to the frustrations of King s Chicago campaign a rising Black nationalism and the Nixon era politics of busing and the Supreme Court The Vietnam war unfolds as Cold War policy high stakes politics buffeted by powerful popular movements and searing in country experience Americans challenges to government regulation of sexuality yield landmark decisions on privacy rights gay rights contraception and abortion Kevin

Boyle captures the inspiring and brutal events of this passionate time with a remarkable empathy that restores the humanity of those making this history. Often they are everyday people like Elizabeth Eckford enduring a hostile crowd outside her newly integrated high school in Little Rock or Estelle Griswold welcoming her arrest for dispensing birth control information in a Connecticut town. Political leaders also emerge in revealing detail: we track Richard Nixon's inheritances from Eisenhower and his debt to George Wallace who forged a message of racism mixed with blue collar grievance that Nixon imported into Republicanism. *The Shattering* illuminates currents that still run through our politics. It is a history for our times.

**Lost in the Grooves** Kim Cooper, David Sneyd, 2005-07-08 Do you remember these great pop stars and their hits: Deerhoof's *The Man*, The King of the Hill, Butch Hancock's *West Texas Waltzes* and Dust Blown Tractor Tunes, Swamp Dogg's *Cuffed, Collared and Tagged*, Michael Head's *The Magical World of the Strands*, John Trubee's *The Communists Are Coming to Kill Us*, John Phillips's *Wolf King of L.A.* and Michel Magne's *Moshe Mouse Crucifixion*. You will when you read *Lost in the Grooves*, a fascinating guide to the back alleys off the pop music superhighway. Pop music history is full of little known musicians whose work stands defiantly alone, too quirky, distinctive or demented to appeal to a mass audience. This book explores the nooks and crannies of the pop music world, unearthing lost gems from what should have been major artists: Sugar Pie DeSanto, Judee Sill revisiting lesser known works by established icons Marvin Gaye's post-divorce kiss-off album *Here My Dear*, The Ramones, *Subterranean Jungle* and spotlighting musicians who simply don't fit into neat categories: K.M.Carty, Exuma. The book's encyclopedic alphabetical structure throws off strange sparks as disparate genres and eras rub against each other: folk, psych, iconoclasts, face-louche pop crooners, outsider artists set their odd masterpieces down next to obscurities from the stars. Lo-fi garage rock cuddles up with the French avant-garde and roots rock weirdoes trip over bubblegum. This book will delight any jukebox junkie or pop culture fan.
