Devotional C.J. Vegter, 2024-01-30 During the Lenten season we have the opportunity to stop and reflect on what Christ did for us thousands of years ago and also what He has done for us over the past year During a season of extreme sickness with Lyme disease alpha gal syndrome and food allergies C J Vegter wrote down inspirational quotes as she spent time with God asking for healing Now healed from many of her illnesses C J wants to give others the same hope she received during some of the darkest days of her life and what better way than to help with meditations during the Lenten season These forty seven

days of devotions will help you to navigate the Lenten season and reflect on the goodness of God in your own life **Moving Mountains Study Guide** John Eldredge, 2016-02-16 In Luke 11:1 the disciples asked Jesus Teach us to pray Most of us want to know more about how prayer works While we are used to offering up prayers we wonder if we are praying in the most effective way or if we are approaching the throne of God in the right way We ask ourselves How do I listen for God How do I pray for healing How do I pray when I am under spiritual attack How do I pray to break through strongholds of habitual sin How do I pray for protection How do I pray for my lost friends and family In this eight session video Bible study DVD digital video sold separately bestselling author John Eldredge shows how we labor under the misconception that prayer is asking God to intervene instead of partnering with him to get things done This faulty assumption leads to untold confusion and grief when we ask of God but can't sense He hears us or even cares Rather Jesus says I will give you the keys of the kingdom of heaven whatever you bind on earth will be bound in heaven and whatever you loose on earth will be loosed in heaven Matthew 16:19 When we operate from this position we approach prayer with far greater confidence We understand we have a role in making change happen and are not victims of circumstance that we are sons and daughters of God bestowed with tremendous authority Sessions include There Is a Way Things Work The Cry of the Heart The Prayer of Intervention The Prayer of Consecration Listening Prayer Warfare Prayer Healing Prayer Holding the Heart in Unanswered Prayer Designed for use with the Moving Mountains Video Study sold separately ***The Color of Christ*** Edward J. Blum, Paul Harvey, 2012-09-21 How is it that in America the image of Jesus Christ has been used both to justify the atrocities of white supremacy and to inspire the righteousness of civil rights crusades In *The Color of Christ* Edward J. Blum and Paul Harvey weave a tapestry of American dreams and visions from witch hunts to web pages Harlem to Hollywood slave cabins to South Park Mormon revelations to Indian reservations to show how Americans remade the Son of God visually time and again into a sacred symbol of their greatest aspirations deepest terrors and mightiest strivings for racial power and justice *The Color of Christ* uncovers how in a country founded by Puritans who destroyed depictions of Jesus Americans came to believe in the whiteness of Christ Some envisioned a white Christ who would sanctify the exploitation of Native Americans and African Americans and bless imperial expansion Many others gazed at a messiah not necessarily white who was willing and able to confront white supremacy The color of Christ still symbolizes America's most combustible divisions revealing the power and malleability of race and religion from colonial times to the presidency of Barack Obama **Real-Life Christian Motherhood** Cas Andersen, 2025-01-15 6 Have you ever thought I am a bad mom or I hate motherhood Do you ever feel discouraged by how unappreciated you feel as a mother despite how hard you work to care for your family As Christian mothers we believe in God's love grace and forgiveness toward us but when it comes to raising our kids we oftentimes find ourselves weighed down by guilt shame and discouragement It's almost as if we believe God is generally gracious toward us but not when it comes to our motherhood In *Real Life Christian Motherhood* Cas seeks to show how God's grace and Christ's

cross perfectly destroy the lies of mom guilt and mom shame while exposing the difference between them perfectionism in motherhood the tendency to carry our families entirely on our shoulders and how you are never allowed a break a breakdown or a weak moment as a Christian mother Cas s biblically anchored and no nonsense reasoning encourages us to shift our perspective away from these common motherhood fallacies so we can begin to view our motherhood the way God does as a lovingly difficult challenge meant to deepen our love for Him change us and in so doing set us free *Think and Believe* Frederick W. Marks,2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices **The Shepherd and His Sheep** Julia E. Bland,2001 One of the most striking representations of Jesus in the scriptures is that of a shepherd Based on John 10 s statement that He is the Good Shepherd this series of eight lessons teaches youngsters of Jesus unfailing love and care even to the point of death on the cross Like all of her previous collections each children s message is accompanied by a two sided activity page one side that s a coloring page for younger children and the other with numerous puzzles and activities to reinforce the lesson s theme for older children Bland has a well earned reputation for biblical faithfulness creativity and practicality Busy pastors and teachers have found her ready to use materials just what they need for their children s time we know you ll love her latest release *The Shepherd And His Sheep* is insightful simple and creative But most important is the depth of spirituality that is presented which will engage the mind and heart of a child Although specifically designed with children in mind Bland s messages recover the significance of Jesus statement that unless we come to him as a child we will miss the kingdom of God This collection of sermons and activities will call the child in each one of us to be in the presence of the Good Shepherd Steven M Marsh Dean of Chapel and Spiritual Formation Assistant Professor of Religion and Philosophy Sterling College During nearly 50 years as a pastor s wife Julia Bland has taught church groups of all ages from children through senior adults She has been active in United Methodist Women and served as district chairperson of Global Concerns as well as Publicity and Public Relations Bland s award winning oil watercolor and pen and ink artwork has appeared in private and public collections **The Story of the World** Susan Wise Bauer,2004-05-31 Presents a history of the ancient world from 6000 B C to 400 A D
