Jesus And Personality Theory Report:

Jesus and Personality Theory James R. Beck, 1999-01-22 James Beck looks at prominent themes in the teaching and ministry of Jesus and how they relate to the five major traits of human personality [Catalog of Copyright Entries. Third Series](#) Library of Congress. Copyright Office, 1976 *Modernism and the Person of Christ* William John Sparrow-Simpson, 1923 **Children of Jesus and Mary** James Lewis, Nicholas Levine, 2009-11-25 The Order of Christ Sophia OCS is a small New Religion which in the short span of eight years has evoked intense controversy An unusual synthesis of traditional Catholicism esoteric cosmology and psychology the OCS already has centers in a dozen major cities in the United States Thus far however it has eluded the attention of scholars of alternative religions An offshoot of an earlier group the Holy Order of MANS the OCS developed a distinctive set of beliefs and practices that set it apart from the mother faith It has cultivated some curious and provocative features for a Christian based religion including the elevation of women to full participation and status within the evolving sacred order Its treatment of gender is refreshingly egalitarian women can be priests and Mary is deified and given equal status with Jesus Another unusual feature of the group is its emphasis on introspection and intensive psychological and emotional work for all members Beyond surveying the history doctrines and practices of this unusual group Lewis brings data from his study of the OCS to bear on many items of conventional wisdom in the New Religions field He shows for example that far from joining the Order in response to a youth crisis the average age of new OCS members is 37 This and a number of other characteristics of the OCS membership challenge generally accepted conclusions about recruits to New Religions Lewis also examines how various theoretical models such as Rodney Stark's influential model of religious success pan out when applied to the OCS In addition to the six core chapters of the book authored by Lewis three other experts contribute chapters on the results of personality and I Q tests administered to member membership attitudes comparison of OCS with mainstream denominations and sex roles in the OCS **Encyclopædia Biblica: E to K** Thomas Kelly Cheyne, 1901 **Christobiography** Craig S. Keener, 2019-08-27 Are the canonical Gospels historically reliable The four canonical Gospels are ancient biographies narratives of Jesus's life The authors of these Gospels were intentional in how they handled historical information and sources Building on recent work in the study of ancient biographies Craig Keener argues that the writers of the canonical Gospels followed the literary practices of other biographers in their day In Christobiography he explores the character of ancient biography and urges students and scholars to appreciate the Gospel writers method and degree of accuracy in recounting the life and ministry of Jesus Keener's Christobiography has far reaching implications for the study of the canonical Gospels and historical Jesus research He concludes that the four canonical Gospels are historically reliable ancient biographies **Humanity and Human Sexuality: The Origin and Nature of Sexual Preference** Kevin Franklin, 2024-03-28 In Humanity and Human Sexuality The Origin and Nature of Sexual Preference Dr Kevin Franklin embarks on an extraordinary exploration of the human being

of mind and their potential Delving deep into themes of confusion and disorder he unveils how a trickster mind can hinder an individual's true potential for life and freedom Drawing from his own profound experiences of childhood psychosis which once seemed to destine him for a life overshadowed by schizophrenia and the threat of early suicide Dr Franklin defies expectations This book ventures beyond traditional boundaries to examine the metaphysical aspects of psychological order offering a unique perspective on the often misunderstood concepts of societal and psychological disorders Dr Franklin's insights extend into a scientific demonstration of the innate origins and nature of both heterosexual and homosexual preferences Humanity and Human Sexuality The Origin and Nature of Sexual Preference illuminates various fields Philosophy Religion History Science Society and Psychology offering a revolutionary viewpoint on these disciplines It challenges long held beliefs and misconceptions particularly in the realms of sexual identity the gender and transgender discussion and the complex relationship between religion and science Structured in two parts the book first deconstructs the mythology of sexual identity before reconstructing a comprehensive understanding of human sexuality It seeks to resolve some of humanity's most pressing issues the lack of human compassion the intricacies of gender identity and the historical tensions between religious beliefs and scientific understanding This book is an essential read for anyone seeking a deeper understanding of the origins and nature of sexual preference and identity and the broader implications for society

The Open Court ,1910 **Normativity And Empirical Research In Theology** Johannes Antonius van der Ven,Michael Scherer-Rath,2004 In this publication researchers and academics from South Africa Great Britain Switzerland Germany and the Netherlands provide theoretical explanations and examples of empirical research with regard to the fundamental question of the role of theological normativity in empirical research in theological fields *The Resurrection of Jesus* James Orr,1997-05-30 A penetrating examination and restatement of the basis for belief in the bodily resurrection of Christ Orr's last work Jesus in History, Thought, and Culture Leslie Houlden,2003-12-08 This unique multidisciplinary study views Jesus as one of the most central figures in history with a wide ranging impact on society literature art and philosophy Jesus in History Thought and Culture distills 2 000 years of thinking about Jesus into two intriguing volumes In more than 200 A Z entries internationally recognized scholars summarize views of Jesus from the Gospel writers to contemporary theologians Not only does the book explore Christian liturgy and worship including the long lasting 4th and 5th century schisms over whether Jesus is human or divine but it examines the position of Jesus in the traditions of other world religions such as Judaism Islam and Hinduism Even outside religion little has been untouched by Jesus's influence Jesus affected social and political theory in his time and continues to do so today The encyclopedia also explores his changing image in art sculpture music and literature pulling disparate fields of study into one powerful resource Scholars students of theology and world religions and other interested readers will all welcome this unique resource **Jesus Or Christ?** ,1909 **The Genuine Jesus** Paul L. Maier,2021-07-27 Vivid style and keen insights make this book a delight and a genuine educational experience

Moody Magazine In this richly illustrated volume formerly titled *In the Fullness of Time* Paul Maier visits the origins of Christianity taking the reader back to the first Christmas the first Easter and the first Christians His impressive research and brilliant insights correlate history archaeology and the New Testament to bring alive the true drama of earliest Christianity This skillful narrative sheds a brilliant new light on the life of Jesus and the adventures of the courageous men and women who carried His message throughout a hostile empire A host of magnificent color and black and white photographs recreate the world the mood the people and the events with an immediacy that sweeps readers into the exciting first years of Christianity The author is at home in the vast literature of his subject The New York Times Book Review For the supremely pivotal event of the Resurrections Paul Maier's book lends fresh and scholarly support Billy Graham Fascinating Brings a new perspective to a story we have known all our lives Redbook Fact filled interesting and successful splendid research This is a beautiful book Christian Century

Praying Personalities Janet Holm McHenry, 2024-02-13 Discover the particular way God designed you to connect with Him through prayer You should pray in the morning You should write out your prayers You should make prayer lists and pray through them every day You should pray with others or out loud We've all heard the you shoulds of prayer from pulpits presenters and well meaning friends But when none of these ways to pray feel natural what's next Janet Holm McHenry has studied prayer extensively and the one thing she knows for sure is that there's no one size fits all way to pray Instead there are different styles of prayer and by discovering the style most instinctive to each individual personality staying in touch with God throughout the day becomes simple and all the more joyful In this book the author helps readers determine their particular praying personality by examining the praying styles of biblical people spiritual gifts and various ideas about personality including the classic temperaments the Enneagram and more McHenry includes scores of bulleted suggestions for developing a praying lifestyle that works for individuals She has also created a Praying Personality Quiz for readers available in the book and online to help narrow down the style that will most naturally fit into how they process a prayer life Whether a longtime Christian who has tried various prayer strategies but can't keep up or a new believer looking to learn about this spiritual discipline every reader who dives into this book will come away with a renewed prayer life and a greater understanding of who God created them to be

The Nazi Religion and the Rise of the French Christian Resistance Kathleen Burton, 2022-09-08 If asked to define Nazism most people think of fascism racism antisemitism and the use of propaganda Few people know that Nazism also included a strong religious component Yet it did The Nazi religion was termed Positive Christianity and it is directly cited in Hitler's Nazi Party Platform of 1920 But what was Positive Christianity In this book Kathleen Burton details when and where this religion was embraced how it was received and critiqued by the prominent theologians of the 1930s and how a combined effort of rogue Catholic priests and Protestant pastors in France aware of the religious threat worked together to fight Nazism during World

War II This contributed to the survival of seventy five percent of France s Jewish population Burton concludes by describing what work still needs to be done to fully understand clarify and debunk Nazism s Positive Christianity Today s world is fascinated by the tragic events of World War II yet Hitler s propaganda coup against traditional Christianity is not well known or understood This book closes that gap Catalog of Copyright Entries, Third Series Library of Congress.
