Jesus The Controversial Messiah:

Jesus: the Controversial Messiah Maxim Mikulak, 2014-12-19 Was Jesus the Messiah of Israel How did he see himself How did his contemporaries see him How do we judge the many claims that have been made on his behalf Maxim W Mikulak Ph D synthesizes a vast array of material to arrive at a compelling portrait of the historical Jesus living in a time of great upheaval struggling to interpret Jewish prophesy and to define his spiritual calling in relation to it Dr Mikulak follows where the evidence leads as he examines the contradictory Scriptural passages surrounding such pivotal events as Jesus baptism by John his trial and crucifixion as well as his resurrection Jesus The Controversial Messiah is a thought provoking tour de force

God's Quest Lyman C.D. Kulathungam, 2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God's relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God's incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God's sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life's turmoil and that the best is yet to be

Matthew's Transfiguration Story and Jewish-Christian Controversy A. D. A. Moses, 1996-01-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew's Gospel It demonstrates that Matthew's account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses' greatness and Matthew portraying the transfiguration within Moses Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents emphasis on the law and Peter's witness to Jesus transfiguration

Encountering John Andreas J. Köstenberger, 2002-02 The uniqueness of the Gospel of John is readily

The Great Controversy Ellen G. White, 2014-03-31 This book is for anyone who wants to better understand the most silent but slow and relentless unfolding of Bible prophecy from a historical perspective Caution this book is not for the faint of heart or the narrowminded It is filled with Bible and historical references to back up its assertions It climaxes with the fall of spiritual Babylon and the victory of God and good over evil A must reading if you want to learn about the closing events of earth's history and the time of the end to which the Bible refers

Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am **A Way of Reading John's Gospel** Graeme Finlay,2024-11-21 John s Gospel presents a compelling eyewitness account of Jesus mission It is written in simple language but consists of a rich profusion of ideas and themes that challenge the most learned scholars and can overwhelm the understanding of ordinary readers Surprisingly part of this complexity arises from the observation that the text appears to be rich in chiastic structures This literary form is a Jewish style of writing in which a series of ideas or themes is developed and then repeated in reverse order This pattern may be represented as for example A B C D D C B A When the reader takes cognizance of this literary convention the multiplicity of ideas falls into a more tractable pattern This book is written by a layman for other ordinary readers in the hope that it will facilitate understanding of this Gospel in church and home study groups Bible classes and schools and family and personal devotions *Contradiction and Controversy in the Bible* Colin Elstub,2008-10-23 A Bible study guide looking at the differences in beliefs held by many against the basic fundamentals of the church The scriptures used in support of them and those used against This is a valuable tool for understanding the beliefs of others and how and why they are able to support them There are a multitude of differing opinions and denominations each using the same Bible to support their doctrines This book tries to make some sense of the confusion without taking sides but giving an understanding of the differing teachings The Spirit of Contradiction in Christianity and Buddhism Hugh R. Nicholson,2016 In this book Hugh Nicholson argues that seemingly counterintuitive and abstract religious concepts such as the Christian Trinity and the Buddhist concept of No self have developed out of social identity processes more specifically as a result of hegemonic struggles and intra and inter religious rivalry *Lectures on the Doctrines of Christianity, in Controversy Between Unitarians and Other Denominations of Christians* George W.
