Using an Almanac

Objective: Students will understand what an almanac is, its purpose, and how to find information.

An almanac is a reference work containing information about the year, climate, and other information. It can be a book or online page. It contains a calendar, weather data, astronomical facts, and other information, and is used to find and organize information. It is a source of information.

Almanacs were very popular before the internet was as common. They contained a lot of information that other reference books did not, such as a calendar, weather, astronomical facts, and other information. They were used to find and organize information. They were used to find and organize information.

Because a lot of information was large and expensive, it was hard to find. In the 19th century, Benjamin Franklin started publishing his own almanac, The Old Farmer's Almanac, which was used to find and organize information. It was used to find and organize information.
