**Small Arms Survey 2014** Small Arms Survey, Geneva, 2014-07-03 This volume highlights emerging trends and concerns regarding armed violence and small arms proliferation along with related policies and programming [The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University](#) Hoover Institution on War, Revolution, and Peace, 1969 *Judicial Review of Immigration Detention in the UK, US and EU* Justine N Stefanelli, 2020-01-23 Immigration detention is considered by many states to be a necessary tool in the execution of immigration policy Despite the apparently key role it plays in immigration enforcement the law on immigration detention is often vague especially in relation to determining the circumstances under which prolonged detention remains lawful As a result the courts are frequently called upon to adjudicate these matters with scant legal tools at their disposal Though there have been some significant judgments on the legality of detention at the constitutional level the extent to which these judgments have had an impact at the lower end of the judiciary is unclear Indeed it is the lower courts which are tasked with judging the legality of detention through habeas corpus or judicial review proceedings This book examines the way this has occurred in the lower courts of two jurisdictions the UK and the US and contrasts this practice not only in those jurisdictions but with judgments rendered by the Court of Justice of the European Union a constitutional court at the other end of the judicial spectrum whose judgments are

applied by courts and tribunals in the EU Member States Although these three jurisdictions use similar tests to evaluate the legality of detention case outcomes significantly differ Many factors contribute to this divergence but key among them is the role that fundamental rights protection plays in each jurisdiction Through a forensic evaluation of 191 judgments this book compares the laws on detention in the UK US and EU and makes recommendations to these jurisdictions for improvement
