

## TRACTOR IDENTIFICATION

Serial numbers identify the tractor and its main components. The identification data must be supplied by the dealer for requests for spare parts or service operations. Identification data is of fundamental importance in the event of theft of the tractor. The location of the various identification data is shown below:

Frame and engine type summary data plate (located under the steering wheel).

Tractor frame number identification data plate (stamped on the axle support under the bonnet).

Figure identification data plate.
