practical guide for how to prepare for and react in many of life's most unpredictable scenarios. In this disaster preparedness manual, he outlines the materials you'll need from food and water to shelter and energy to first aid and survival skills to help you safely live through the worst. When Disaster Strikes covers how to find and store food, water, and clothing, as well as the basics of installing back-up power and lights. You'll learn how to gather and sterilize water, build a fire, treat injuries in an emergency, and use alternative medical sources when conventional ones are unavailable. Stein instructs you on the smartest responses to natural disasters such as fires, earthquakes, hurricanes, and floods; how to keep warm during winter storms; even how to protect yourself from attack or other dangerous situations. With this comprehensive guide in hand, you can be sure to respond quickly, correctly, and confidently when a crisis threatens.
