The Developer Tab

Forms

Add Forms to a Document

Enable the Developer Tab: Before adding forms, you must enable the Developer tab on the ribbon. Click the **File** tab, click **Options**, click **Customize Ribbon**, check the **Developer** check box, and click **OK**.

Add a Form Control: Place the text cursor where you want the form control, click the **Developer** tab, click the **Design Mode** button in the Controls group, and click the button for the form control you want to add. Click the **Design Mode** button again when you're finished adding form controls.

Finalize a Form: Click the **Developer** tab and click the **Restrict Editing** button to open the Restrict Editing pane. Check the **Editing Restrictions** check box, click the **Editing Restrictions** list arrow, and select **Filling in forms**. Click the **Start Enforcing Protections** button, enter a password (optional), and click **OK**.

Collaborate in Word

Share a Document: Make sure the document is shared to an online-accessible location, such as OneDrive or SharePoint. Click the **Share** button above the ribbon and enter someone's email address in the invite People field (or, click the **Address Book** button and select someone in the Address Book dialog box). Choose their permission level by clicking the permissions list arrow and selecting a level. Enter a short message (optional), then click the **Share** button.

Highlight Text: Select the text you want to highlight, click the **Text Highlight Color** button list arrow on the Home tab, and select a highlight color.

Insert a Comment: Select the text you want to add a comment to, click the **Review** tab, click the **New Comment** button, and add your comment. Click outside of the comment field when you're finished.

Delete a Comment: Click a comment to select it, click the **Review** tab, and click the **Delete** button.

Reply to a Comment: Click a comment to select it, and click the **Reply** button in the comment. Type your responses, and click outside the comment field when you're finished.

Show / Hide Comments: Click the **Review** tab and click the **Show Comments** button to toggle it on or off.

Toggle Track Changes: Click the **Review** tab and click the **Track Changes** button in the Tracking group.

View Markup: Click the **Review** tab, click the **Show Markup** button in the Tracking group, and select a type of markup to show or hide.

Review Revisions: Click the **Review** tab, then click the **Next Change** and **Previous Change** buttons in the Changes group. Click the **Accept** button to accept a change, or the **Reject** button to reject it.

Compare Two Documents: Click the **Review** tab, click the **Compare** button, and select **Compare**. Select the original document from the **Original Document** list arrow (or click the **Browse** icon and select it), then select the revised document from the **Revised Document** list arrow (or click the **Browse** icon and select it). Click the **More** button and select what types of differences to look for (optional). Click **OK**.

Add Line Numbers: Click the **Layout** tab, click the **Line Numbers** button, and select an option.

Types of Form Controls

Different types of form controls allow a user to enter different types of data into a form.

Rich Text allows users to enter text that can be formatted with different fonts and font styles.

Plain Text allows users to enter text, but not to format that text.

Picture allows the user to add a picture from their computer or an online location to the form.

Check Box places a form with a check box that the user can check or uncheck.

Combo Box adds a list with a text box, where users can choose an option or enter their own.

Drop-Down List adds a list with several options that a user can choose from.

Date Picker lets the user choose a date from a calendar.

Repeating Section contains other types of content controls and repeats as many times as you need it.

Legacy Types of content controls were used in older versions of Word. You can still use them in a Word 97-2003 document.
