Sadly Christina s journey and her children s experience of being collateral damage is not atypical Kudos for her strength and
bravery in putting her story out there as a cautionary tale for others Dr Susan Weitzman author Not to People like Us Hidden
Abuse in Upscale Marriages Christina Mask s Nightmare is constructed around fragments from a life in agony as one woman
attempts to escape abuse retain her sanity and regain the custody of three children the family court and her husband have
taken from her It s all here the daily records over months then years the diary entries the self blame the excuses the shame
the absurdist dialogues with family therapists marginalia from readings or lectures or religious texts letters pleadings with
judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims
of abuse in quotations and so so much more These pieces are loosely joined by a narrative and an interior monologue that I
sometimes found too much to bear But then I realized I was scanning something akin to a Picasso painting whose underlying
truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the
endlessly reasonable letters Mask writes to intractable foes Mask has cast her eye on what Yeats termed the broken
crumbling battlement of the self and lived to write it As one director famously said about the sixty women and children
crowded into her six bedroom shelter If they can manage this they can manage anything Christina s book gives us faith that
