*Minimalist Syntax* Andrew Radford, 2004-05-27 Publisher Description      *The Syntax of Roots and the Roots of Syntax* Artemis Alexiadou, Hagit Borer, Florian Schäfer, 2014 This book investigates the nature and properties of roots the core elements of word meaning Chapters adopt different theoretical approaches to examine the interaction of roots with syntactic structure and the role of their semantic and morpho phonological properties in that interaction      *English Syntax and Argumentation* Bas Aarts, 2018-01-10 This textbook on English syntax aims to give students a thorough grounding in the basics of sentence structure and at the same time strives to acquaint them with the essentials of syntactic argument The text is written in a user friendly style with many hands on in text and chapter final exercises At the end of each chapter there is a section with suggested further reading material and there is a bibliography and list of recommended reference works at the end of the book      *Research in Education* , 1974      **On Literacy and Its Teaching** Gail E. Hawisher, Anna O. Soter, 1990-07-05 This book recognizes and embraces the complexities of modern English teaching It presents English teachers and teacher educators with a critical view of current professional issues and concerns in the belief that these groups need and want to participate in curricular and professional reform movements that affect them and their students The book examines such issues as the interconnectedness of the study of language literature and composition curricular problems in language instruction in teacher education the relationship between our traditional notions of literature study and our emerging view of literacy in the contemporary information age and the ways in which current theory and research can be translated into innovative designs for the teaching of written composition On Literacy and Its Teaching is a powerful response to the current challenge for innovation and change in English teacher education With its broad scope it provides a balanced overview and timely analysis of the field of English Education      *Balkan Syntax and (Universal) Principles of Grammar* Iliyana Krapova, Brian Joseph, 2018-11-19 This book investigates morpho syntactic convergences that characterize the languages of the Balkan Sprachbund Balkan Slavic Greek Romanian Albanian Balkan Romani Apart from new data the volume features contributions within different theoretical frameworks contact linguistics functional linguistics typology areal linguistics and generative grammar      **The Structure of Modern English** Laurel J. Brinton, 2000 This text is designed for undergraduate and graduate students interested in contemporary English especially those whose primary area of interest is English as a second language Focus is placed exclusively on English data providing an empirical explication of the structure of the language      *Understanding Sentence Structure* Christina Tortora, 2018-09-19 A straightforward guide to understanding English grammar This book is for people who have never thought about syntax and who don t know anything about grammar but who want to learn Assuming a blank slate on the part of the reader the book treats English grammar as a product of the speaker s mind and builds up student skills by exploring phrases and sentences with more and more complexity as the chapters proceed This practical guide excites and empowers readers by guiding them step by step through each chapter with intermittent exercises In order to capitalize on the reader s confidence as a personal authority on English

Understanding Sentence Structure assumes an inclusive definition of English taking dialect variation and structures common amongst millions of English speakers to be a fact of natural language. It situates grammar as part of what the student already unconsciously knows. It presupposes no prior instruction, not even in prescriptive grammar. It begins analyzing sentences immediately with the big picture: sentences have structure; structure can be ambiguous and moves through levels of complexity, tapping into students' tacit knowledge of sentence structure. It includes exercise boxes for in-chapter practicing of skills, side notes that offer further tips, encouragement on topics being discussed, and new terms defined immediately and helpfully in term boxes. It applies decades of findings in syntactic theory and cognitive science with an eye towards making English grammar accessible to school teachers and beginning students alike.

Understanding Sentence Structure: An Introduction to English Syntax is an ideal book for undergraduates studying modern English grammar and for instructors teaching introductory courses in English grammar, syntax, and sentence structure.
