

ICT SCHEME OF WORK

ICT Transition Unit PoS: KS 2 1a 1b 2a 3b 4a 4b 4c 5a 5b 5c	Yr 6: ICT Transition Unit Looking Back, Looking Ahead	Class: Date:
Theme: This unit aims to offer a measure of continuity and progression in ICT through the important transitional phase between KS2 and KS3. It provides pupils with an opportunity to display their knowledge and understanding with regard to some aspects of the strands of ICT capability contained within National Curriculum requirements, and as fleshed out through the QCA Scheme of Work for ICT. This is a unit in which pupils will produce a Multimedia presentation based on key features and memories of their primary experiences. It will also incorporate an element of finding and selecting web-based information on the receiving school, to be included in the presentation. A copy of the pupil's presentation should be forwarded as stored media to the receiving secondary school in order to provide useful information and assessment material.		
Where the unit fits in: This is a stand-alone unit to be taught leading up to transition to Year 7. It assumes that the Key Stage 2 programme of study for ICT has been covered in full. It will provide pupils with the opportunity to revise and consolidate elements contained within the strands of ICT capability as outlined in the National Curriculum. It will also give pupils a chance to reflect not only on their primary experiences but also their progress in ICT. The unit will provide a context in which pupils can think ahead to new experiences both socially and with regard to extending their knowledge, skills and understanding in ICT.		
Vocabulary: Developing Ideas and making things happen: Year 6: cell, column, out, data, drag, formula, graph, label, model, paste Year 7: address, cell reference, value, variable Exchanging and sharing information: Year 6: audience, bullet point, draft, image, plan, presentation, purpose, digital camera, scanner Year 7: log on, network, shared area, graphic, copyright		
Expectations Based on the National Curriculum level descriptors for ICT At the end of this unit: Most children will: be able to use ICT to present information in different forms, showing awareness of the intended audience and the need for quality in their presentations. They will be able to compare their use of ICT with other methods and with its use outside school (Level 4) Some children will not have made so much progress and will: use ICT to generate, develop, organise and present their work. They will be able to describe their use of ICT and its use outside school (Level 3) Some children will have progressed further and will: use ICT to structure, refine and present information in different forms and styles for a specific purpose and audience. They will be able to discuss their knowledge and experience of using ICT and their observations of its use outside school. They will be able to assess their use of ICT in their work and reflect critically in order to make improvements in subsequent work. (Level 5)
