We shall go on to the end, we shall fight in France,

We shall defend our Island whatever the cost may be,
We shall fight on the beaches,
We shall fight on the landing grounds,
We shall fight in the fields and in the streets,
We shall fight in the hills;
We shall never surrender.
— Winston Churchill

Should I be elected President, it would be my intention to ask the ablest men in the country to make whatever sacrifice is required to bring to the Government a ministry of the best talents available, men with a single-minded loyalty to the national interest, men who would regard public office as a public trust. For no government is better than the men who compose it, and I want the best, and we need the best, and we deserve the best.
— John F. Kennedy
