Ikea Tv Stand Instructions:

Never Better Gonzalo Riedel, 2024-02-13 His wife died before their second son turned one How can he keep her memory alive when there s so much he wants to forget There was a time before his wife got sick when Gonzalo could think about other things They had full lives where death didn t factor Where humour was more than a coping mechanism Life wasn t all about treatments and recovery or the emptiness he felt when she died They had kids together Young kids Less than a year after their youngest was born and suddenly he was strapping them both into their car seats to drive to their mother s funeral He used to think he was the glue holding the household together It didn t take long for him to realize how wrong he d been A grieving husband is in no condition to raise kids alone There were times when he wanted to toss himself into a raging river that would suck him under and bash his skull on the rocks That s always an option for another day For now he ll just squash those feelings and drive the kids to daycare Does it get easier Of course But not right away They say that hope only comes at the end of a long dark journey but that isn t entirely true because the journey never really ends But that means there s good news hope is everywhere you look

And the Bride Closed the Door Ronit Matalon, 2019-10-01 A young bride shuts herself up in a bedroom on her wedding day refusing to get married In this moving and humorous look at contemporary Israel and the chaotic ups and downs of love everywhere her family gathers outside the locked door not knowing what to do The bride s mother has lost a younger daughter in unclear circumstances Her grandmother is hard of hearing yet seems to understand her better than anyone A male cousin who likes to wear women s clothes and jewelry clings to his grandmother like a little boy The family tries an array of unusual tactics to ensure the wedding goes ahead including calling in a psychologist specializing in brides who change their mind and a ladder truck from the Palestinian Authority electrical company The only communication they receive from behind the door are scribbled notes one of them a cryptic poem about a prodigal daughter returning home The harder they try to reach the defiant woman the more the despairing groom is convinced that her refusal should be respected But what exactly ought to be respected Is this merely a case of cold feet A feminist statement Or a mourning ritual for a lost sister This provocative and highly entertaining novel lingers long after its final page
