America's first major battle of the 21st century began. Over 200 soldiers of the 101st Airborne and 10th Mountain Division flew into Afghanistan's Shah i Kot Valley and into the mouth of a buzz saw. They were about to pay a bloody price for strategic high level miscalculations that underestimated the enemy's strength and willingness to fight. Naylor an eyewitness to the battle details the failures of military intelligence and planning while vividly portraying the astonishing heroism of these young untested US soldiers. Denied the extra support with which they trained these troops nevertheless proved their worth in brutal combat and prevented an American military disaster. **CQ Weekly**, 2009 Technical Manual United States Department of the Army, 1959 **Technical Manual** United States.
