Hollowed Out Jeremy S. Adams, 2021-08-03 Do teachers have a front row seat to America's decline Jeremy S. Adams a teacher at both the high school and college levels thinks so Adams has spent decades trying to instill wisdom ambition and a love of learning in his students And yet as he notes when teachers get together they often share an arresting conclusion Something has gone terribly wrong Something essential is missing in our young people Their curiosity seems stunted their reason undeveloped their values uninformed their knowledge lacking and most worrying of all their humanity diminished Digital hermits of a sort unfamiliar to an older generation they have little interest in marriage and family They largely dismiss and are shockingly ignorant of religion They sneer at patriotism sympathize with riots and vandalism and regard American society and civilization as so radically flawed that it must be dismantled Often friendless and depressed they eat alone study alone and even socialize alone Educators like Adams see a generation slipping away The problems that have hollowed out our young people have been festering for years A year of COVID 19 lockdowns and social distancing have magnified them The result could be a generation and our nation's future lost in a miasma of alienation and stupefaction In his stunning new book *Hollowed Out* Jeremy S. Adams reveals why students have rejected the wisdom culture and institutions of Western civilization and what we can do to win them back Poignant frightening and yet inspiring this is a book for every parent teacher and patriot concerned for our young people and our country

Lee and many more *The Politically Incorrect Guide to Real American Heroes* not only resuscitates America's forgotten heroes but sheds light on the Left's most cherished figures including Franklin Delano Roosevelt and the Kennedys With biting wit and devastating detail McClanahan strikes back against the multicultural narrative peddled by liberal historians who make heroes out of pop culture icons and corrupt politicians In America's hour of peril McClanahan's book is a timely and entertaining call to remember the heritage of this great nation and the heroes who built it
