EVERFI: Financial Literacy for High School is a digital financial education program that teaches students how to make wise financial decisions to promote financial well-being over their lifetime. The interactive lessons will translate complex financial concepts and help students develop actionable strategies for managing their finances.

Students will understand the different ways to acquire income, develop a savings and investing plan, create a budget, track expenses, make informed purchases, monitor and protect their money, and navigate financial institutions and financial products.

Topic Areas

1. **Banking Basics**—Students will gain confidence in engaging with financial institutions and picking the right products for their life and financial goals.
2. **Income and Employment**—Students will feel confident in navigating the choices and paperwork presented when starting a new job.
3. **Budgeting**—Students will set short-term and long-term financial goals and create a personal budget that tracks spending.
4. **Consumer Skills**—Students will proactively research purchase decisions and select the best way to pay for those purchases.
5. **Credit and Debt**—Students will engage in wise debt management practices and avoid expensive borrowing behaviors.
6. **Financing Higher Education**—Students will develop a plan for financing postsecondary education or training.
7. **Insurance**—Students will become aware of the need for a risk management strategy and how insurance plays a role.

Course Structure

Each digital lesson is accompanied by offline lesson plans and discussion guides to use in the classroom.
