

Sample Persuasive Essay

**Directions: Read the following essay. Along with the overhead, breakdown the structure of the essay. ALL PERSUASIVE ESSAYS NEED TO LOOK LIKE THIS!!!*

As the teacher calls on Jimmy to give his opinion on the topic the class was discussing, she can't help but notice the incredible wad of bright pink chewing gum in his mouth. Not only will it be hard to understand Jimmy, but also she'll be lucky if Jimmy can get out his thoughts without choking on the mouthful! This is only one of the many concerns teachers face daily as chewing gum continues to show up in classrooms, despite the school rule that it is banned. Students should not chew gum in class because it acts as a distraction to others, it is a health issue, and it is a safety issue. If students continue to disregard the rules, consequences will need to become more severe.

Chewing gum acts as an incredible distraction to students and teachers. It has become a common practice for some students to be known as "suppliers" of gum. These students will bring multiple packs of gum to school to share with their friends and classmates. It seems to be quite an epidemic when one student asks the "supplier" for a piece of gum. Suddenly everyone feels the need to do the same thing. This can take away valuable class time and makes many students lose focus on the topic being discussed. In addition, once the students have gum it appears that the need arises to chew this gum with such force that one would think it was the last piece of gum on earth. The open-mouthed, "chewing like a cow" that occurs is absolutely the most annoying thing in the world! The distraction factor alone is enough for most teachers to want gum out of their classrooms.
