Emily D. West and the "Yellow Rose of Texas" Myth

Phillip Thomas Tucker,2014-02-13 For the first time the true story of The Yellow Rose of Texas is told in full revealing a host of new insights and perspectives on one of America s most popular stories For generations the Yellow Rose of Texas has been one of America s most popular western myths growing larger over time and little resembling the truth of what happened on April 21 1836 at the battle of San Jacinto where a new Texas Republic won its independence The woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the North Emily D West This work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth

Munsey's Magazine for ... ,1898 The True Story of Fake News Mark Dice,2017-11-03 Is fake news being spread through social media as part of an information war Are political operatives publishing disinformation to smear the opposition and help their own agendas Who creates fake news how does it spread and can it be stopped What are the real world effects of fake news stories that go viral Did it affect the outcome of the 2016 presidential election Or is fake news a fake problem designed to justify tighter control over the mechanisms of sharing information online to drive audiences back to brand name media outlets because their audiences and influence are dwindling Media analyst Mark Dice takes a close look at the fake news phenomenon and the implications of mega corporations like Facebook Google and Twitter becoming the ultimate gatekeepers and distributors of news and information You will see the powerful and deceptive methods of manipulation that affect us all as numerous organizations and political activists cunningly plot to have their stories seen heard and believed by as many people as possible The depths of lies distortions and omissions from traditional mainstream media will shock you and now they re colluding with the top tech companies trying to maintain their information monopolies This is The True Story of Fake News Any Other Way Stephanie Chambers,Jane Farrow,Maureen Fitzgerald,Ed Jackson,John Lorinc,Tim

Commentary Essays - Poignant Responses to Fourth Estate Rancor. Charles Henderson,2019-01-04 The years 2013 to 2015 were significant in American history because they were filled with news stories about epic and sometimes controversial events Those include the wars in Afghanistan and Iraq coupled with the Republicans relentless criticism of Obama s handling of the same the Supreme Court s ruling in favor of same sex marriage which produced an unprecedented social upheaval and most importantly the Edward Snowden affair which resulted in the unauthorized release of US top secret documents that caused incalculable damage to America s national security In the midst of it all was The Washington Post a widely recognized newspaper with liberal leanings but mostly conservative syndicated op ed columnists Charles Henderson a creative writer with a strong grounding in biblical scripture challenges many of The Post s articles op eds and editorials by means of his

book titled *News Commentary Essays Poignant Responses to Fourth Estate Rancor* This book contains over four hundred essays covering eighteen topics including religion foreign and domestic policy politics same sex marriage morality etc The author s goal is to entertain and yet bring reasoned insight into complex political policy and social issues many of which could be solved by a search of a biblical scripture

Selling Reagan's Foreign Policy N. Stephen Kane, 2018-03-15 This book examines President Reagan s and his administration s efforts to mobilize public and congressional support for seven of the president s controversial foreign policy initiatives Each chapter deals with a distinct foreign policy issue but they each is related in one way or another to alleged threats to U S national security interests by the Soviet Union and its allies When taken together these case studies clearly illustrate the book s larger thrust a challenge to the conventional wisdom that Reagan was the indisputable Great Communicator This book contests the accepted wisdom that Reagan was an exemplary and highly effective practitioner of the going public model of presidential communication and leadership that the bargaining model was relatively unimportant during his administration and that the so called public diplomacy regime was a high value addition to the administration s public communication assets The author employs an analytical approach to the historical record draws on several academic disciplines and grounds his arguments in extensive archival and empirical research The book concludes that the public communication efforts of the Reagan administration in the field of foreign policy were neither exceptionally skillful nor notably successful that the public diplomacy regime had more negative than positive impact that the going public model had minimal utility in the president s efforts to sell his foreign policy initiatives and that the executive bargaining model played a central role in Reagan s governing strategy and essentially defined his presidential leadership role in the area of foreign policy making This study vividly demonstrates the enormous gap between the real word Reagan and the one that often exists in public mythology

A Remarkable Curiosity Amos Jay Cummings, 2011-05-18 In 1873 Amos Jay Cummings a decorated Civil War veteran and journalist for the New York Sun newspaper set out on a westward journey aboard the newly completed transcontinental railroad For some time miners settlers and entrepreneurs had already been heading west to make their fortunes and Cummings made the trip in part to see what all the fuss was about During his six month expedition from Kansas to California Cummings sent extraordinary and engaging accounts of the American West back to his readers in New York Collected in this volume for the first time are Cummings s portraits of a land and its assortment of characters unlike anything back East Characters like Pedro Armijo the New Mexican sheep tycoon who took Denver by storm and more prominently the Mormon prophet Brigham Young and one of his wives Ann Eliza Young who was filing for divorce at the time of Cummings s arrival Although today he is virtually unknown during his lifetime Cummings was one of the most famous newspapermen in the United States in part because of stories like these Complete with a biographical sketch and historical introduction *A Remarkable Curiosity* is an enjoyable read for anybody interested in the American West in the latter half of the nineteenth century
