Executive Protection Training Manual:

The Executive Protection Professional's Manual Philip Holder, Donna Lea Hawley, 1997-09-02 The Executive Protection Professional's Manual not only explains what it takes to be an executive protection professional but provides other valuable information as well including tips on defensive tactics bomb searches searching for bugging devices firearms training defensive and evasive driving and advance reconnaissance This unique book also discusses important career information such as how to select the area of executive protection in which you would like to work how much money you should make the interview and stories from real life experiences of an EPP

Advanced Skills in Executive Protection A. Hunsicker, 2010 Any professional actively engaged in the executive protection field novice or veteran whether in a team or as team leader must train for and be able to pinpoint even the most unexpected security concerns The continuation of *The Fine Art of Executive Protection Handbook for the Executive Protection Officer* 2007 *Advanced Skills in Executive Protection* contains carefully selected and illustrated material for the executive protection and security enforcement professional All available training and study material individual case studies and real scenarios combined with professional experience serve as the foundation for this specialist's manual For the client as a prospective principal it provides important details that will assure lifesaving protection Comprehensive detailed and straightforward *Advanced Skills in Executive Protection* is the only book to offer an in depth look into the operational aspects of executive protection It guides the reader through a diversity of advanced disciplines and skills and contains all the necessary ingredients for effective protection planning Information about every aspect of executive protection is not only an important part of the professional's ongoing training curriculum but is also crucial for the client who seeks this professional protection to face not only today's protection needs but also those of the future See also *The Fine Art of Executive Protection Handbook for the Executive Protection Officer and Understanding International Counter Terrorism A Professional's Guide to the Operational Art* by A Hunsicker

The Unconventional Close Protection Training Manual Robert Scali, 2018-01-27 I wrote this book to teach people with no background in the protection industry how to not only be their own bodyguard but how to learn new skills so that they may eventually protect other people professionally If you want to learn the business and become a Private Security or Close Protection Operator you must learn a series of skill sets How you gain any skill set can vary from person to person Some people acquire the skills in the military police or even after years of hands on martial arts training You do not have to become a Green Beret Navy SEAL or CIA Contractor to acquire a series of proficient skill sets on survival combatives or shooting All you have to do to acquire some new skills in personal protection is to have the desire to learn and then apply what you have learned safely and with a high level of proficiency I will pass on small pearls of wisdom throughout this book The gems that I pass on to you have been passed on to me in many different ways throughout my life Each jewel will be a new skill or a direction to learn The more that you learn the more you will understand Any person with the passion for learning will pick up these new skills and instantly

apply them The more that you read about close protection the more you will learn from this book The more that you physically do the more ingrained your skills will become into daily operational procedures Even if you learn just one new thing from this book that saves your life or someone else s then it was worth learning that skill Stay flexible in your thinking and keep an open mind as you read this book The more you learn about yourself the more you will want to know and apply your new skills towards your everyday life Eventually you will be able to tie all of the pearls from this book together and become operationally proficient and stay safe in many different scenarios *Dark Solutions Executive Protection Training Manual* Harshul Makim Moses Anderson,2018-06-10 This manual is intended to provide insight into the executive protection industry not only for beginners but can also serve as a helpful tool for those individuals who possess experience within the field The manual covers a wide range of legal professional and operational topics to help set a foundation for this challenging trade **Bodyguard Manual** Hugh P.
