Paragraph Writing

A good paragraph usually has:

- 1) **A topic sentence**- This sentence tells what the paragraph is going to be about
- 2) **Supporting sentences**- These sentences tell more about the topic
- 3) **A concluding sentence**- This sentence brings together all of the other sentences and often re-states the topic

Please read the paragraph and underline the topic sentence, number the supporting sentences, and underline the concluding sentence.

If I Was On a Desert Island

If I was on a desert island and I could only have one thing with me, I would want to have a TV. On a desert island there is nothing to do and it's easy to get bored, so a TV would give me something to watch. There are no other people on desert islands so if I got lonely I could watch cartoons because they always make me feel better. There are no newspapers on desert islands so if I wanted to know what was going on in other places in the world I could watch the news. There are no schools on desert islands so if I wanted to learn something I could watch educational programs. A TV could give me many of things that were missing, so if I could have one thing on a desert island, it would be a TV.

This paragraph is scrambled. Please rewrite it with the topic sentence first, the supporting sentences next, and the concluding sentence last.
