Through this scene, he beautifully explains social imbalance in the society where the upper class appears to exploit the lower class. Towards the end of the poem, the poet becomes very optimistic and hopes for justice and equality in the near future.

Explanation: **Stanza 1:** In these lines the poet wants to explain the natural phenomenon of rain. The poet uses the natural objects to explain his view point of social class difference like 'upper leaves and lower leaves'. The rich people give a little to the poor as a help. The noise of rain falling on leaves is soothing to the ears. The poet uses onymy of 'sweet noise' beautifully to create a beautiful impact on the minds of the reader.

Stanza 2: In these lines the poet shows hope that when the sun comes out of clouds, it will make the scene lovely in the form of rainbow. Everyone loves rainbow in which dark drops of water are filled with bright light of sun. The poet is hopeful that the sun will always remain shining like this. There will be equality between rich and low and justice will be provided to everyone.

It has become a part and parcel of our daily life and no more a thing of curiosity. He draws attention to a fact that all living beings are immune to its arrival but the non-living things are not.

Explanation: in these lines the poet gives tribute to a train "Night Mail". This train carries mail of every kind. It brings various things like letters, cheques and postal orders for the people of every walk of life. It carries official and domestic letters. Its track is sometimes a slope and sometimes a plain field. It passes through a vast landscape like grass fields, moorland, hill stations and so on. It has some human qualities like devotion and punctuality.
