EASY TO OWN

There are two ways of approaching your notebook investment. One is to purchase a low cost unit, but the savings are generally eaten up by the maintenance costs and the hassle of dealing with a poorly constructed substandard notebook. On the other hand, high-quality units may cost a little more, but the maintenance costs are lower because the reliability is significantly higher. What if you could purchase a high-quality notebook at a reasonable price? You can get the best of both with the cost-effective LIFEBOOK® AH531 notebook.

The old adage, "you get what you pay for" certainly applies in the highly competitive world of notebook computers. Designed to the high standards of Fujitsu (a leader in quality and reliability) the Fujitsu AH531 LIFEBOOK notebook provides you an easy way to cut costs without cutting performance or reliability.
