General Service Manual Aa:

Alcoholics Anonymous as a Mutual-help Movement Klaus Mäkelä, 1996 Part of an international study of Alcoholics Anonymous carried out in collaboration with the World Health Organization Regional Office for Europe Alcoholics Anonymous Comes of Age Alcoholics Anonymous World Services, Inc., 2014-10-09 A A co founder Bill W tells the story of the growth of Alcoholics Anonymous from its make or break beginnings in New York and Akron in the early 1930s to its spread across the country and overseas in the years that followed A wealth of personal accounts and anecdotes portray the dramatic power of the A A Twelve Step program of recovery unique not only in its approach to treating alcoholism but also in its spiritual impact and social influence Bill recounts the evolution of the Twelve Steps the Twelve Traditions and the Twelve Concepts for World Service those principles and practices that protect A A s Three Legacies of Recovery Unity and Service and how in 1955 the responsibility for these were passed on by the founding members to the Fellowship A A s membership at large In closing chapters of Alcoholics Anonymous Comes of Age early friends of A A including the influential Dr Silkworth and Father Ed Dowling share their perspectives Includes 16 pages of archival photographs For those interested in the history of A A and how it has withstood the test of time Alcoholics Anonymous Comes of Age offers on the growth of this ground breaking movement Alcoholics Anonymous Comes of Age has been approved by the General Service Conference Bill W. Francis Hartigan, 2001-10-12 When Bill Wilson with his friend Dr Bob Smith founded Alcoholics Anonymous in 1935 his hope was that AA would become a safe haven for those who suffered from this disease Thirty years after his death AA continues to help millions of alcoholics recover from what had been commonly regarded as a hopeless addiction Still while Wilson was a visionary for millions he was no saint After cofounding Alcoholics Anonymous he stayed sober for over thirty five years helping countless thousands rebuild their lives But at the same time Wilson suffered form debilitating bouts of clinical depression was a womanizer and experimented with LSD Francis Hartigan the former secretary and confidant to Wilson s wife Lois has exhaustively researched his subject writing with a complete insider s knowledge Drawing on extensive interviews with Lois Wilson and scores of early members of AA he fully explores Wilson s organizational genius his devotion to the cause and almost martyr like selflessness That Wilson like all of us had to struggle with his own personal demons makes this biography all the more moving and inspirational Hartigan reveals the story of Wilson s life to be as humorous horrific and powerful as any of the AA vignettes told daily around the world **Research on Alcoholics Anonymous and Spirituality in Addiction Recovery** Marc Galanter, Lee Anne Kaskutas, 2008-12-05 It was once taken for granted that peer assisted groups such as Alcoholics Anonymous had no real value in recovery from addiction More recently evidence based medicine is recognizing a spiritual component in healing especially when it comes to addiction The newest edition of Recent Developments in Alcoholism reflects this change by focusing on the 12 step model of recovery as well as mindfulness meditation and other spiritually oriented activity More than thirty contributors bring together historical background research

findings and clinical wisdom to analyze the compatibility of professional treatment and nonprofessional support day to day concepts of relapse prevention the value of community building in recovery and much more Among the topics covered 1 How and why 12 step groups work 2 The impact of the spiritual on mainstream treatment 3 The impact of AA on other nonprofessional recovery programs 4 AA outcomes for special populations 5 Facilitating involvement in 12 step programs 6 Methods for measuring religiousness and spirituality in alcohol research Whether one is referring clients to 12 step programs or seeking to better understand the process this is a unique resource for clinicians and social workers Developmental psychologists too will find Volume 18 Research on Alcoholics Anonymous and Spirituality in Addiction Recovery a worthy successor to the series

Bill W My First 40 Years Anonymous, 2010-05-14 Told here for the first time in his own words is the story Bill W a man who for his part in founding Alcoholics Anonymous would be honored as one of the most important figures of the 20th century I was born to be exact in a hotel then known as Wilson House I was born perhaps rightly in a room just back of the old bar It was the beginning of a life that would change the lives of millions Told here for the first time in his own words is the story of the man who would come to be known as Bill W a man who for his part in founding the fellowship of Alcoholics Anonymous would be celebrated as one of the important figures of the twentieth century The terrifying darkness had become complete In agony of spirit I again thought of the cancer of alcoholism which had now consumed me in mind and spirit and soon the body But what of the Great Physician For a brief moment I suppose the last trace of my obstinacy was crushed out as the abyss yawned I remember saying to myself I ll do anything anything at all If there be a Great Physician I ll call on him Then with neither faith nor hope I cried out If there be a God let him show himself

Not God Ernest Kurtz, 2010-03-26 A fascinating account of the discovery and program of Alcoholics Anonymous Not God contains anecdotes and excerpts from the diaries correspondence and occasional memoirs of AA s early figures The most complete history of A A ever written this book is a fast moving and authoritative account of the discovery and development of the program and fellowship that we know today as Alcoholics Anonymous

Searching for the Spirit of the West Luigi Morelli, 2023-05-29 How can the West rediscover its authentic spirit Exploring the period from 1899 to 1945 from the end of the US frontier and the writing of The Wonderful Wizard of Oz to the conclusion of World War II and the dropping of the atom bomb Luigi Morelli traces the events that led the United States to become the world s dominating imperial force America he demonstrates is deeply connected to Britain Germany and Eastern Europe particularly Russia Yet despite their tragic collective histories there is hope for the future if only America can claim its true task Searching for the Spirit of the West challenges many of the falsehoods that pass for mainstream history Utilizing a wealth of documented evidence from the research of overlooked historians economists social and spiritual thinkers the author takes a symptomatic view of the past revealing hidden longer term trends This approach offers a new understanding of events such as the rise of Nazism the Great Depression the new Deal and even the roles of banking and clandestine brotherhoods in world history Morelli also appraises

The Wonderful Wizard of Oz in parallel with America's cultural achievements Through imagination L Frank Baum's contemporary fairy tale enables us to intuit the true mission of the West and its potential contribution to world culture now and in the future **Alcoholics Anonymous** Charles Bufe,1997-12-01 This well researched painstakingly documented book provides detailed information on the right wing evangelical organization Oxford Group Movement that gave birth to AA the relation of AA and its program to the Oxford Group Movement AA's similarities to and differences from religious cults AA's remarkable ineffectiveness and the alternatives to AA The greatly expanded second edition includes a new chapter on AA's relationship to the treatment industry and AA's remarkable influence in the media **New Serial Titles** ,1993 A union list of serials commencing publication after Dec 31 1949 New York Court of Appeals.
