

32	In Benedictine monasteries, there was a manuscript with 73 chapters of rules which were followed by monks for many centuries. Here are some of the rules they had to follow: Chapter – 6 : Permission to speak should rarely be granted to monks. Chapter – 7 : Humility means obedience. Chapter – 33: No monk should own private property. Chapter – 47: Idleness is the enemy of the soul, so friars and sisters should be occupied at certain times in manual labour, and at fixed hours in sacred reading. Chapter-48: The monastery should be laid out in such a way that all necessities be found within its bounds: water, mill, garden, workshops. Questions: 1. What does humility' mean? 2. What does chapter 47 say? 3. What sort of values are reflected in this chapter?	1 1 2
33	Read the following passage carefully and answer the questions that follow: William Tyndale (1494-1536), an English Lutheran who translated the Bible into English in 1506, defended Protestantism thus: 'In this they be all agreed, to drive you from the knowledge of the scripture, and that ye shall not have the text thereof in the mother-tongue, and to keep the world still in darkness, to the intent they might sit in the consciences of the people, through vain superstition and false doctrine, to satisfy their proud ambition, and insatiable covetousness, and to exalt their own honour above king and emperor, yea, and above God himself... Which thing only moved me to translate the New Testament. Because I had perceived by experience, how that it was impossible to establish the lay-people in any truth, except the scripture were plainly laid before their eyes in their mother- tongue, that they might see the process, order, and meaning of the text. Questions : (i) What do you know about William Tyndale? (ii) What were his objectives to translate the Bible into English? (iii) What were the issues on which the Protestants criticized the Catholic Church? Write any two issues.	1 1 2
