Let's go on a Classroom Scavenger Hunt

Go to the classroom library. Write a title of one of the books.	Find all the technology. How many pieces can you find?	Find your cubby. Who has a cubby next to you?
What items do you see in your desk or at your table?	Find the learning targets. How many targets are there?	Write our room number found outside of our door.
Locate the class rules. How many are there?	Find the behavior chart. What color(s) do you want to stay on?	How many tables can you find?

Resources in Education, 2001 Strengthening Mathematical Reasoning among Middle School Students with Hidden or Unmet Potential Peter Sheppard, Melissa A. Gallagher, 2019-11-08 This work seeks to contribute to the national dialogue regarding best practices in teaching middle school mathematics The authors are committed to improving mathematics achievement and opportunities for students whose inherited circumstances place them at a perceptible disadvantage Most refer to said students as risks We hold the position that these students irrespective of their backgrounds possess Hidden or Unmet Potential and the unveiling of their potential can be accelerated when they are exposed to high quality mathematics teaching This book is a practitioner's guide to creative mathematics activities centered on algebraic proportional and geometric reasoning aligned with mathematics standards This approach has the potential to accelerate the mathematical confidence and accentuate the mathematical proficiencies of students

Reading Programs for Young

Adults Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **Reading behind Bars** Jill

Grunenwald,2019-07-02 A fascinating look into a world many of us never see and a powerful story about one woman s journey to find her own strength with a clear message of the importance of books and information for all Booklist American Library Association starred review Shortlisted for the 2020 Social Justice Advocacy Book Award by In the Margins Book Awards In December 2008 twentysomething Jill Grunenwald graduated with her master s degree in library science ready to start living her dream of becoming a librarian But the economy had a different idea As the Great Recession reared its ugly head jobs were scarce After some searching however Jill was lucky enough to snag one of the few librarian gigs left in her home state of Ohio The catch The job was behind bars as the prison librarian at a men s minimum security prison Talk about baptism by fire As an untested twentysomething woman to say that the job was out of Jill s comfort zone was an understatement She was forced to adapt on the spot speedily learning to take the metal detectors hulking security guards and colorful inmates in stride Over the course of a little less than two years Jill came to see past the bleak surroundings and the orange jumpsuits and recognize the humanity of the men stuck behind bars They were just like every other library patron persons who simply wanted to read to be educated and entertained through the written word By helping these inmates Jill simultaneously began to recognize the humanity in everyone and to discover inner strength that she never knew she had At turns poignant and hilarious Reading behind Bars is a perfect read for fans of Orange Is the New Black and Shakespeare Saved My Life *Everyday Mathematics: Teacher's lesson guide v. 1* [v.3] *Teacher's lesson guide v. 2* ,2004 *The Whole*

School Library Learning Commons Judith Anne Sykes,2016-08-29 Introduce your teachers librarians and administrators to the roles and responsibilities of educators in advocating a whole school library learning commons using this step by step guide for creating shared learning space in your school It is no surprise that technology has shifted the way we educate bearing on how what and where we learn This guide lays the framework for helping turn your school library into a whole school library learning commons WSLLC a space where traditional academics merge with the latest technologies to engage learners in a way never before realized Author Judith Anne Sykes contends that since the WSLLC philosophy allows staff and

students to co create knowledge in a shared space it is more effective than the traditional approach Sykes addresses the differences between a school library and a WSLLC provides reasons to champion its creation in your institution and discusses how to use mentoring as a means to sustain its survival The book explores the roles and responsibilities of educators in developing WSLLC goals and presents strategies for using typical assessment tools including standardized tests report cards and anecdotal assessments to help support its philosophy
