Highschool Baseball Scouting Report:

A Scout's Report George Genovese, Dan Taylor, 2015-05-01 Many in baseball consider the scout to be the most important figure in any organization. It is the scout's work in the high school and college bleachers that unearths future legends. Few have achieved more and in such grand style than George Genovese. In a game that values numbers, Genovese's are staggering. No other scout has been responsible for more players in a single lineup, more home runs by players signed or more All Star and World Series highlights than Genovese. Genovese's eye for talent is unmatched; his advocacy for the players he discovers is unrivaled, and the investment he makes toward their success is a difference maker. This autobiography is the story of his seven decades in baseball as a player, manager, and scout.

2005 Rotisserie Baseball Scouting Report: for 4x4 NL Only Leagues Henry Lee, 2005. What differentiates this new series of books from the books and magazines people have used in the past is that each of the six books focuses on a different league: 5x5 mixed, AL only, NL only, 4x4 mixed, AL only, and NL only. The projections and dollar values for players can vary up to 50% from league to league. Drafting with the help of a magazine not tailored to your league specifications is a recipe for disaster; yet millions of people do so every year. With your Rotisserie Baseball Scouting Report in hand, you can rest assured that your projections are accurate. Each book also has special Quick Lists designed to help you find what you need in the limited time you have between picks. Players are ranked by actual scoring category points so you can compare players intelligently and quickly. Categories like ERA, WHIP, and BA are weighted for IP and AB, vitally important but often overlooked. Also included is a unique quantitative analysis of the best prospects for 2005.

Can He Play? A Look at Baseball Scouts and their Profession Jim Sandoval, 2011-11. They dig through tons of coal to find a single diamond. They spend countless hours traveling miles and miles on lonely back roads and way too much time in hotels. Their front offices expect them to constantly provide player reports and updates. So much of their time is spent away from family and friends, missing birthdays, anniversaries, and holidays. Their best friend is Rand McNally. Always asking the question, CAN HE PLAY. Such is the life of a professional scout. CAN HE PLAY collects the contributions of 26 members of the Society for American Baseball Research on the subject of scouts, including biographies and historical essays. The book touches on more than a century of scouts and scouting, with a focus on the men and the occasional woman who have taken on the task of scouring the world for the best ballplayers available. In CAN HE PLAY, we meet the King of Weeds, a Ph.D. we call Baseball's Renaissance Man, a husband and wife team pioneering Latin scouts, and a Japanese American interned during World War II who became a successful scout, and many, many more. The legendary Tom Greenwade and the development of the New York Yankees' scouting system, interviews with former players Johnny Pesky and Fernando Perez about being scouted, and much more.
