The Title of the Paper Capitalized and Centered

First Level Heading

Unless required in the instructions, the headers should be used only in five-or-more-page papers. The introduction of an essay should end with a strong, debatable thesis statement and approximately take 10% of the required word count. Please note that student's information, title, headers, and Works Cited page are not counted towards the required word count.

The first sentence of a paragraph is always a topic sentence. It states the main idea or argument presented in the paragraph. Topic sentence should be followed by supporting information from the reliable and up-to-date sources. Avoid plagiarism using direct and indirect citations followed by an in-text citation mentioning an author's surname and a page number (Pears and Graham 1). In case a web publication contains no pagination, use an author's surname or a name of a source followed by "no page" shortening (Research Guides n.p.). Please note that a long name of a source is to be shortened in the in-text citation. Do not leave a paragraph with a citation at the end. Every paragraph should end with a transition sentence serving as a bridge between two adjacent paragraphs.

Second Level Heading

Use second level heading to specify the subpoints contributing to the topic of the previous header. No paragraph indentation is required in such a case. Please note that one paragraph

Writing an A+ Research Paper: A Roadmap for Beginning and Experienced Writers, 2008 *The Everything Guide To Writing Research Papers Book* Cathy Spalding, 2005-09-01 That important paper is due

soon and you don't know where to start. You're out of ideas and out of time. Don't panic. Writing great research papers is not as daunting a task as you think. It's just a process and with *The Everything Guide to Writing Research Papers* you can master that process in no time. Professional educator and writer Cathy Spalding guides you step by step through the writing process from brainstorming ideas to polishing your final work. With dozens of timesaving tips on organization, research, and revision, you'll find the actual writing easier than ever before. This easy-to-follow handbook answers all of your questions: What are the different types of research papers and which should you write? How can you focus your research efforts, saving time and aggravation? You're three pages short now, what? What can you do to protect yourself from plagiarism? How do you find and cite all of your sources? Perfect for high school and college students juggling multiple assignments, *The Everything Guide to Writing Research Papers* shows you how to take control of your assignments before they take control of you. *A Guide to Writing Sociology Papers* Roseann Giarrusso, University of California, Los Angeles. Sociology Writing Group, 2001-02-15. Ideal for instructors and students in a wide range of sociological courses, this guide makes the case that thinking and writing are integrally related and that writing therefore exercises the sociological imagination. Written in a clear and conversational style, *A Guide to Writing Sociology Papers* examines a wide range of writing assignments for sociology courses at all levels of the curriculum. Employing a variety of writing samples as a means to illustrate effective writing, this brief and inexpensive text teaches students how to deftly research and write about sociology. *The College Student's Guide to Writing a Great Research Paper* Erika Eby, 2012. the required word count. **How to Write and Publish a Scientific Research Paper** Sophie Domingues-Montanari, 2011. **A Manual for Writers of Research Papers, Theses, and Dissertations, Seventh Edition** Kate L. Turabian, 2009-08-14. Dewey Bellow Strauss Friedman. The University of Chicago has been the home of some of the most important thinkers of the modern age. But perhaps no name has been spoken with more respect than Turabian. The dissertation secretary at Chicago for decades, Kate Turabian literally wrote the book on the successful completion and submission of the student paper. Her *Manual for Writers of Research Papers, Theses, and Dissertations* created from her years of experience with research projects across all fields, has sold more than seven million copies since it was first published in 1937. Now with this seventh edition, Turabian's *Manual* has undergone its most extensive revision, ensuring that it will remain the most valuable handbook for writers at every level, from first-year undergraduates to dissertation writers apprehensively submitting final manuscripts to senior scholars who may be old hands at research and writing but less familiar with new media citation styles. Gregory G. Colomb, Joseph M. Williams, and the late Wayne C. Booth, the gifted team behind *The Craft of Research* and the University of Chicago Press Editorial Staff, combined their wide-ranging expertise to remake this classic resource. They preserve Turabian's clear and practical advice while fully embracing the new modes of research, writing, and source citation brought about by the age of the Internet. Booth, Colomb, and Williams significantly expand the scope of previous editions by creating a guide generous in length and tone to the art of research and writing. Growing out of the

authors best selling *Craft of Research* this new section provides students with an overview of every step of the research and writing process from formulating the right questions to reading critically to building arguments and revising drafts This leads naturally to the second part of the *Manual for Writers* which offers an authoritative overview of citation practices in scholarly writing as well as detailed information on the two main citation styles notes bibliography and author date This section has been fully revised to reflect the recommendations of the fifteenth edition of *The Chicago Manual of Style* and to present an expanded array of source types and updated examples including guidance on citing electronic sources The final section of the book treats issues of style the details that go into making a strong paper Here writers will find advice on a wide range of topics including punctuation table formatting and use of quotations The appendix draws together everything writers need to know about formatting research papers theses and dissertations and preparing them for submission This material has been thoroughly vetted by dissertation officials at colleges and universities across the country This seventh edition of *Turabian's Manual for Writers of Research Papers Theses and Dissertations* is a classic reference revised for a new age It is tailored to a new generation of writers using tools its original author could not have imagined while retaining the clarity and authority that generations of scholars have come to associate with the name Turabian
