Death Valley Discovery Gary Morris,2019-12-10 At 4 12 a m on August 27 1983 Gary Morris began a nonstop run from Badwater at 283 feet below sea level in Death Valley At seventy eight hours and thirty six minutes later he reached the top of Mt Whitney 14 495 feet above sea level the fourth person in history to do so At mile 118 his crew shared the following inspiring poem On December nights when the rain we needed months ago is still far off and the wind gropes through the desert in search of any tree to hold it those who live here all year round listen to the irresistible voice of loneliness and want only to be left alone local knowledge is to live in a place and know the place however barren some kinds of damage provide their own defense and we who stay in the ruins are secure against enemies and friends if you should see one of us in the distance as your caravan passes and if he is ragged and gesturing do not be mistaken he is not gesturing for rescue he is shouting go away From that moment until today these words spoke volumes to this lone runner beside an empty road in the desert as he continues his quest for local knowledge to make and share an impact on our environment

Up To Speed A Preppers Guide Galen Fries,2024-05-17 No scare tactics here We all know bad things can happen and don t need to be scared into wanting to protect our loved ones Up to Speed A Prepper s Guide is just a discussion about what steps and in what order to take them in order to be ready for disasters manmade or otherwise It s good information with some humor thrown in for flavor The book has been carefully broken up into levels of importance It begins by addressing a survival mindset It then goes on to discuss ways we can set ourselves up for success when it to comes to reuniting with loved ones having a home to come home to and finally what we should consider as we step out of our homes in order to keep our families safe Up to Speed tries to take the daunting task of protecting what is truly important to us and break it down into small manageable pieces This is not a survivalist book This is just a discussion and shouldn t be considered the end all in preppers manuals In it you will find references to many other books that will supplement your preparedness library
