Curriculum for Elementary Schools, June 1928 Minnesota. Department of Education, 1928 An Introduction to Social and Political Philosophy Richard Schmitt, 2009-06-16 Social and political philosophy unlike other fields and disciplines involves conflict disagreement deliberation and action This text takes a new approach and understands philosophy not so much as a story of great thinkers or as a collection of philosophical positions but as a series of debates and disagreements in which students must participate Adopting what may be called an active learning method Richard Schmitt who has long taught social and political philosophy in the Ivy Leagues as well at state colleges presents a range of problems and debates which engage the core question of freedom Too often students are bewildered and then bored by highly abstract philosophical questions because they are unable to connect those abstract issues to their own life experiences Huckleberry Finn by Mark Twain (MAXnotes) , 1994 **The Adventures of Huckleberry Finn** Holt, 1989
