Kuess,2008-10 Have you ever wondered what your dental hygienist is thinking about as she cleans your teeth Here s a clue it s not your teeth Patricia is a dental hygienist an inveterate daydreamer and a lesbian In the midst of cleaning people s teeth she fluctuates flawlessly between her inner and outer worlds And it is during one of these routine cleanings that a story pops into her head There s Frederick a guy who has failed his driving test ninety nine times and a woman on the run named Tulsa Then there s RaeEllen and Daryl John brilliant skaters who have always been in Patricia s mind but never given her a story As the days go by Patricia continues to explore her characters by asking her patients questions about their own lives and soon she is merrily immersed in her fictional world When she takes the plunge to write a screenplay Patricia s creative process explodes and she begins to experience the joy frustration and satisfaction of

Complete Freedom George Neal,2025-03-21 This book isn t for everyone If you ve got it all together you may not need it For everyone else I hope something in these pages brings insight and peace *Drunken Space Pirates!* Phoenix Freebird A.,2009-06-30 Running from a mutinous crew sucked through a wormhole like in a bad sci fi movie and slowly running out of booze and that s just the beginning of this non traditional story that starts off as a simple captain s log book and evolves into something more like a really warped and twisted TV show in text Follow the Captain and crew on a series of seemingly random adventures where it s obvious it s not just the Captain who s been drinking At some point you may ask yourself is all this just coincidence or is there something dark and annoying on the horizon The Captain seems to have a drinking problem the problem being he never has enough to drink and people from his past keep showing up and ruining his buzz Akki a

corrupted artificial intelligence who occasionally takes over the Captain's log has his own plans mostly self-serving ones because he has nothing better to do. The rest of the crew: pirates, hot chicks, robots, and a foul-beaked little space penguin round out the Drunken Space Pirates, and with all the wise cracks and shots aimed at everyone and everything, it's clear the alcohol flows rather freely within the D S P. Many of the off-the-wall characters of the D S P are walking guilty pleasures who say what they feel, do what they want, and just generally give it to life, pop culture, and the universe in general with both barrels and occasionally fish.
