Through the Fog Tara L. Affolter,2019-03-01 Drawing from over 20 years of teaching experience in the U S ranging from pre kindergarten to post graduate Affolter illustrates personal

practical and theoretical ways for teachers to grapple with the complexities of race and racism within their own schools and communities and develop as inclusive anti racist teachers The work aims to take into account the deeply human dimensions of inclusive anti racist teaching while drawing attention to the threat of burnout inviting closer inspection of curricula development and exploring tangible ways to sustain this important work for teaching Resisting racism agitating for change and walking an inclusive anti racist path requires commitment to unflinchingly look at one s failures and examine silences It is work that must be done in all settings rural urban suburban This book offers all pre teachers and in service teachers some perspectives and reflections on engaging anti racist inclusive practice The questions raised here ask each of us to consider our own positioning and interrogate the stories we tell ourselves about the other The book seeks to call in white teachers in particular to carefully examine our own biases and the ways we may replicate white supremacist ideology within our pedagogy and curricula The questions posed here and the work ahead is not easy This is work best taken on with those that can challenge with love and help support one other as we imagine and work towards a more just world

Handbook of Empirical Literary Studies Donald Kuiken, Arthur M. Jacobs, 2021-09-20 This handbook reviews efforts to increase the use of empirical methods in studies of the aesthetic and social effects of literary reading The reviewed research is expansive including extension of familiar theoretical models to novel domains e g educational settings enlarging empirical efforts within under represented research areas e g child development and broadening the range of applicable quantitative and qualitative methods e g computational stylistics phenomenological methods Especially challenging is articulation of the subtle aesthetic and social effects of literary artefacts e g poetry film Increasingly the complexity of these effects is addressed in multi variate studies including confirmatory factor analysis and structural equation modeling While each chapter touches upon the historical background of a specific research topic two chapters address the area s historical background and guiding philosophical assumptions Taken together the material in this volume provides a systematic introduction to the area for early career professionals while challenging active researchers to develop theoretical frameworks and empirical procedures that match the complexity of their research objectives
