

## POETRY TERMINOLOGY

| AFRIKAANS       | ENGLISH         | MEANING                                                                                              |
|-----------------|-----------------|------------------------------------------------------------------------------------------------------|
| Strofe          | Stanza          | A paragraph of line(s) or a verse of the poem                                                        |
| Versreël        | A Line          | A single line in the poem                                                                            |
| Oktaaf          | Octave          | Stanza consisting of 8 lines                                                                         |
| Sekstet         | Sextet          | Stanza consisting of 6 lines                                                                         |
| Kwatrijn        | Quatrain        | Stanza consisting of 4 lines                                                                         |
| Tersine         | Tercet          | Stanza consisting of 3 lines                                                                         |
| Koeplet         | Couplet         | Stanza consisting of 2 lines                                                                         |
| Tipografie      | Typography      | The design/printing or layout of the poem                                                            |
| Herhaling       | Repetition      | The same word(s) repeated                                                                            |
| Alleen Plasing  | Placed Alone    | A single word is placed alone in a line to emphasize it                                              |
| Beklemtoon      | Emphasizes      | When a word or idea in the poem stands out as an effect of...                                        |
| Enjambement     | Enjambement     | When sentences run on different lines                                                                |
| Alliterasie     | Alliteration    | Repetition of the same letter at the end or beginning of nearby words                                |
| Assonansie      | Assonance       | Repetition of the same sound of syllables of different nearby words                                  |
| Klanknabootsing | Onomatopoeia    | A meaning/thing/action by a vocal imitation of the sound associated with it                          |
| Personifikasie  | Personification | Human/living characteristics given to a non-living thing/object                                      |
| Eufemisme       | Euphemism       | An inoffensive expression for a statement/phrase/word that may offend someone                        |
| Wending         | Change In Tone  | Words like 'want' or 'maar' could cause a change in the tone of the poem                             |
| Neologisme      | Neologism       | A new word is formed by the poet by combining two known words                                        |
| Inversie        | Inversion       | Sentences are in the incorrect order and grammatically incorrect in order to create effect or rhythm |
