## Course Description

We are very excited to be using the 7<sup>th</sup> grade Glencoe Math curriculum. The text is aligned with the new Common Core State Standards for math and is supported by wonderful online resources. This book focuses on real-world application of math concepts that make learning fun. The textbook can be accessed online at [access.pearsoned.com](http://access.pearsoned.com). You will be given your username and password within the first couple weeks of school. The major units covered in the curriculum are:

- The Number System
- Ratios and Proportional Relationships
- Expressions and Equations
- Geometry
- Probability and Statistics

## Our 8 Mathematical Practices

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics.
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make use of structure.
8. Look for and express regularity in repeated reasoning.

## Classroom Expectations

In our math classroom, I expect you to act in accordance with The 6 P's!

Prompt	You are in your seat and ready to start when the bell rings...ready to learn.
Prepared	You come to class with all math materials and completed assignments every day! You record all math assignments in your Google Calendar.
Productive	You are on-task and engaged in math activities at all times. If absent, you check in with the teacher or look at our Google Classroom page to see what you missed.
Polite	You respect your self, your classmates, the teacher, and all classroom supplies. You remain in your seat at all times. You raise your hand and wait to be called on before you speak.
Positive	You persevere when math gets tough, and it will! You ask for help with the math if you are struggling. You help your class mates when they are struggling.
Proud	You take pride in your math abilities, and your positive attitude and behavior.

Failure to meet the expectations set forth above will result in progressive discipline. The first offense will result in a verbal warning. The second offense will result in a 5-minute removal from the classroom.
