Nursing Today - E-Book JoAnn Zerwekh, Ashley Zerwekh Garneau, 2020-02-05 Ensure you thoroughly understand the most important issues you'll face when entering practice. Loved for its humor, readability, and inviting cartoons, *Nursing Today: Transitions and Trends* 10th Edition helps you to prepare for the NCLEX RN while giving you valuable information to succeed throughout your career. It reflects current issues and trending topics that nurses will face, ensuring that you not only graduate with patient care skills but also with career development skills such as resume writing, finding a job, and effective interviewing. The 10th Edition features major content updates on Workplace Issues, Nursing Informatics, Cultural and Spiritual Awareness, and Ethical Issues, and evidence-based practice boxes throughout to help you focus on the research evidence that supports clinical practice. Additionally, it includes test-taking tips for the NCLEX RN Examination and updated Evolve Resources for students with new review questions and case studies. An emphasis on transitioning into the workplace is included in chapters such as NCLEX RN and the New Graduate Employment Considerations, Resumes, and Interviewing, Mentorship, and Preceptorship, and Nurse Residency Programs. Thorough coverage of all the most important issues faced by the new nurse preparing you for a professional career. An engaging approach features lively cartoons, chapter objectives, bibliographies, and colorful summary boxes. Critical Thinking boxes in every chapter offer questions and exercises asking you to apply what they have learned to clinical practice. Evidence-Based Practice boxes and evidence-based practice content throughout focus your attention on the research evidence that supports clinical practice. QSEN competencies related to effective communication, team building, evidence-based practice, patient safety, and quality assurance highlighted throughout.

The Hands-on Guide to Midwifery Placements Luisa Cescutti-Butler, Margaret Fisher, 2015-12-21 The perfect companion for student midwives in clinical settings, packed full of useful and practical information to help guide and enable you to get the best out of your midwifery placements. This compact, portable text includes what to expect on each type of placement, whether it be working in a low or high risk environment, from how to prepare for practice, what you can anticipate whilst you're there, the key essential skills to acquire, what pitfalls and problems to be aware of, and how to deal with them if they do arise. Each chapter contains Top Tips from current or recently qualified midwifery students as well as real-life student experiences and suggestions for further readings.

Midwifery Essentials: Basics E-Book Helen Baston, Jennifer Hall, 2017-04-20 New edition of a title in the popular *Midwifery Essentials* series, originally published in conjunction with *The Practising Midwife* journal. The series covers core topics in midwifery education in an engaging and friendly format using a helpful jigsaw approach which encourages readers to explore topics from a variety of perspectives, e.g. effective communication, team working, and health promotion. Helpful scenarios throughout each volume encourage debate and reflection on core elements of midwifery education. Fully updated to provide a useful, friendly source of information. Strong focus on contemporary, women-centred care. Designed to stimulate debate and reflection upon current practice, local policies, and procedures. Scenarios enable practitioners to understand the context of maternity care and explore their role in safe and

effective service provision Helpful jigsaw approach enables readers to explore specific topics from a variety of perspectives e.g consent safety and health promotion Explains the professional and legal issues surrounding clinical procedures Chapters designed to be read as a standalone or in succession Emphasises the crucial role of effective communication Makes reference to the latest national and international guidelines Contains new scenarios to reflect recent changes in practice Improved layout aids retention and learning Fully updated throughout with the latest evidence base for clinical skills and procedures Embraces the principles of Better Births
