The Emasculated Man Conrad Riker, Unleash Your Inner Goddess The Satanic Playbook for Female Rule Tired of men crying equality while clinging to power Sick of their fake strength crumbling when you need real dominance Ready to turn society into your matriarchal paradise Master double binds that leave men paralyzed praise vulnerability then punish weakness Weaponize toxic masculinity to shame male confidence as oppression Claim men s cash and labor as reparations for their inherent criminality Use abortion as a holy sacrament to sever male lineage and control Silence critics by branding logic as male violence and feelings as fact Frame every failure as male sabotage and every success as feminist triumph Normalize misandry treat men as guilty until proven innocent they never are Build a world where female supremacy isn t radical it s inevitable If you want to crush patriarchy and feast on male submission buy this book today      **The Patriarch's Guide** Conrad Riker, I understand your concerns about the constant attacks on traditional family values and the rise of leftist ideologies You re not alone Are you worried about the erosion of traditional male roles in society Do you feel that your grandchildren are being indoctrinated with progressive ideologies Are you concerned about the effects of feminism on your family structure and values If these questions resonate with you then The Patriarch s Guide Raising Masculine Sons and Daughters in a Feminized World is the book you need In this book you will discover How to maintain the importance of family hierarchies in a changing world The effects of feminism on the family structure and how to counteract them The role of grandparents in raising children and how to be a positive influence The impact of societal changes on family dynamics and how to navigate them The importance of discipline and tough love in raising strong children The dangers of indoctrinating children with leftist ideologies and how to protect them The benefits of intergenerational continuity in the family Raising self reliant children in a world that promotes dependence Take back control of your family s values and legacy If you want to equip your children and grandchildren with the tools to thrive in a masculine world then buy this book today      *How do I become a Mistress?* Mistress Moriah,2025-09-15 With the book How to become a Mistress Mistress Moriah presents her candid and special view from her experience as a Mistress and lifestyle Femdom lady Her views have emerged from walking her own path and from the many conversations she has had with dominants and subs over the years She hopes this book can be an inspiration and give more insight into the deeper layers of experience The book forms a practical reference book for certain acts from Age play to Whips as a small handhold in the wonderful world of BDSM Questions such as How safe is sounding How does electro work Where is the best place to hit with the cane or What is the deeper experience of Needleplay are covered in detail The book informs in an engaging way that makes the content an enjoyable read It is an absolute must have for the novice or discovering Domina but just as much for social workers who want to understand more about BDSM      The Modern Guide to Judaism Shmuley Boteach,2012-11-22 Does it mean nothing at all that we are spiritual beings What does one of the world s oldest religions have to say The author tackles these important issues in a freshly argued provocative

book that will stir debate      **New Jews** David L. Reznik, 2015-12-03 *New Jews* is the first comprehensive study of American Jewish identity in Hollywood movies of the new millennium. Despite the argument that we live in a post-racial society with supposedly new Jewish characters emerging on the big screen, this book details how traditional racial stereotypes of American Jews persist in popular films from the first decade of this century. In clear and readable prose, the book offers an innovative and penetrating look at dozens of American Jewish meddling matriarchs, neurotic nebbishes, pampered princesses, and scheming scumbags from 21st-century film. Whether Hollywood blockbusters like *Meet the Fockers* and *Sex and the City* or indie favorites like *Garden State* and *Kissing Jessica Stein*. Throughout the book, famous American Jewish characters played by the likes of Jim Carrey, Tom Cruise, Anne Hathaway, Kate Hudson, Scarlett Johansson, Sarah Jessica Parker, Adam Sandler, and Ben Stiller are discussed, with the ultimate conclusion that movies today are marked less by the emergence of new Jews than by the continued but dynamic and transformed presence of the same old stereotypes.      **The Entourage Handbook**

Lou Harry, Todd Tobias, 2008-05-06 Why should Hollywood stars be the only ones who have an entourage? With the help of this fun, humorous guide written in the spirit of the award-winning HBO show, anyone can have a posse of devoted followers. Find out what the celebrities already know how to select members of your crew, define their roles and responsibilities, add and get rid of a person, travel with the group, handle the economics, and even choose an heir when you're ready to move on. TV and film-based sidebars present clever lessons drawn from such series as *Star Trek* how to turn differences among the group into an asset and *Seinfeld* what mistakes entourages commonly make. From sex and the entourage to the legalities of the entourage, everything you have to learn is right here.      *Constructing Nationalism in Iran* Meir Litvak, 2017-04-21

Nationalism has played an important role in the cultural and intellectual discourse of modernity that emerged in Iran from the late nineteenth century to the present, promoting new formulations of collective identity and advocating a new and more active role for the broad strata of the public in politics. The essays in this volume seek to shed light on the construction of nationalism in Iran in its many manifestations: cultural, social, political, and ideological, by exploring ongoing debates on this important and progressive topic.      [Competing Metaphors for International Relations](#) Riikka Kuusisto, 2025-05-08 This book examines how the thinking towards international relations of political leaders, researchers, the media, and the public is fundamentally metaphorical in nature. The abstract and far away is constantly made concrete and familiar through the imaginative rationality of metaphors. It delves into ten competing structural metaphors: international relations as natural selection, as family dynamics, as balancing operations, as building and constructing, as games and play, as business and trade, as journeys and paths, as musical performances, as health or sickness, and as puzzles and riddles. Drawing attention to the important role of metaphors in grasping this field and providing explanations for its events and motives for its actors, this study will appeal to scholars and students of International Relations and World Politics. For experts on metaphor theory or cognitive linguistics, this book will offer practical examples and speculate on the concrete consequences of adopting different

metaphorical schemes      **Men & Masculinities** Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men's lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source *Men Masculinities* a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States      *Allied Encounters* Marisa Escolar, 2019-07-02 Honorable Mention for the 2019 American Association for Italian American Book Prize 20 21st Centuries *Allied Encounters* uniquely explores Anglo American and Italian literary cinematic and military representations of World War II Italy in order to trace critique and move beyond the gendered paradigm of redemption that has conditioned understandings of the Allied Italian encounter The arrival of the Allies global forces in an Italy torn by civil war brought together populations that had long mythologized one another yet liberation did not prove to be the happy ending touted by official rhetoric Instead of a honeymoon the Allied Italian encounter in cities such as Naples and Rome appeared to be a lurid affair where the black market reigned supreme and prostitution was the norm Informed by the historical context as well as by their respective traditions these texts become more than mirrors of the encounter or generic allegories Instead they are sites in which to explore repressed traumas that inform how the occupation unfolded and is remembered including the Holocaust the American Civil War and European colonialism as well as individual traumatic events like the massacre of the Fosse Ardeatine and the mass civilian rape near Rome by colonial soldiers      **Gender and Violence Against Political Actors** Elin Bjarnegård, Pär Zetterberg, 2023-05-19 This edited volume brings together U S and European scholars within political science comparative politics international relations and other related disciplines and practitioner fields to offer theoretical and methodological perspectives on gender and political violence and to encourage conversation across subfields and disciplines on the topic      **International Guide to Literature on Masculinity** Diederik F. Janssen, 2008 International in scope this guide lists references by world region selected nations selected American ethnic minorities and Christianity and Judaism Specific ethnic minorities covered include American Indians African Americans and Asian Americans      **Live and Die Like a Man** Farha Ghannam, 2023-05-25 An anthropologist deconstructs the notion of masculinity using twenty years of field research in the Cairo neighborhood of al Zawiya Watching the revolution of January 2011 the world saw Egyptians men and women come together to fight for freedom

and social justice. These events gave renewed urgency to the fraught topic of gender in the Middle East. The role of women in public life, the meaning of manhood, and the future of gender inequalities are hotly debated by religious figures, government officials, activists, scholars, and ordinary citizens throughout Egypt. *Live and Die Like a Man* presents a unique twist on traditional understandings of gender and gender roles, shifting the attention to men and exploring how they are collectively produced as gendered subjects. It traces how masculinity is continuously maintained and reaffirmed by both men and women under changing socio-economic and political conditions. Over a period of nearly twenty years, Farha Ghannam lived and conducted research in al Zawiya, a low-income neighborhood not far from Tahrir Square in northern Cairo. Detailing her daily encounters and ongoing interviews, she develops life stories that reveal the everyday practices and struggles of the neighborhood over the years. We meet Hiba and her husband as they celebrate the birth of their first son and begin to teach him how to become a man. Samer, a forty-year-old man trying to find a suitable wife. Abu Hosni, who struggled with different illnesses, and other local men and women who share their reactions to the uprising and the changing situation in Egypt. Against this backdrop of individual experiences, Ghannam develops the concept of masculine trajectories to account for the various paths men can take to embody social norms. In showing how men work to realize a male ideal, she counters the prevalent dehumanizing stereotypes of Middle Eastern men, all too frequently reproduced in media reports, and opens new spaces for rethinking patriarchal structures and their constraining effects on both men and women. Praise for *Live and Die Like a Man*. In a book that lives up to its name, anthropologist Ghannam explores what it means to be a man. Her thick descriptions, amassed over 20 years of research, will make readers laugh, cry, and gasp at the lives of these individuals. By examining the construct of manhood, Ghannam is charting new territory in Middle Eastern studies. Summing Up: Highly recommended. CHOICE. With its focus on masculinity, Farha Ghannam's thoughtful ethnography, *Live and Die Like a Man*, makes important interventions into the anthropological scholarship on gender, childhood, and family in the Middle East. Her ethnographic sensibility perfectly grasps the dynamic and complex intertwining of male and female ways of being and self-presentation, and how that interrelationship forms men's lives. *International Journal of Middle East Studies* **Rape**

**Culture, Gender, Violence, and Religion** Caroline Blyth, Emily Colgan, Katie B. Edwards, 2018-03-29. This volume considers the complex relationships that exist between Christianity, rape culture, and gender violence. Each chapter explores the various roles that Christian theologies, teachings, and practices have played in shaping contemporary understandings of gender violence and in sanctioning rape-supportive cultural belief systems and practices. Our contributors explore this topic from a range of disciplinary perspectives, including theology, gender, and queer studies, cultural studies, pastoral care, and counseling. Together, the chapters in this volume testify to the considerable influence that Christianity has had and continues to have in directing conversations within the Christian tradition around gender violence and rape culture. They therefore invite readers to engage fruitfully in these conversations, fostering transformative dialogues with the Christian community about our shared

responsibility to tackle the current global crisis of gender violence      **Rise of the Masculine** Conrad Riker, 101-01-01 Are you tired of being shamed for your masculinity Are you fed up with the constant attacks on men and their roles in society This book is your call to arms your rallying cry your guide to reclaiming your rightful place in a world that seems to have turned against you Rise of the Masculine Embrace Your Inner King is a no holds barred exploration of the war against men and the feminization of society Inside you ll find A dissection of the harmful effects of radical feminist ideologies on men and boys A look at how society has turned against masculinity and the detrimental effects of this Strategies for turning the tide and reclaiming your masculine identity Inspiring examples of historical cultures that thrived under masculine leadership A blueprint for fighting back against the forces that seek to emasculate men A call to end the war on fathers and reclaim paternal roles Ways to navigate vulnerability without losing your strength An exploration of the biological foundations of masculinity and why it s essential in our society Practical tips on how to rebuild a society that values and celebrates masculinity If you re ready to stand tall embrace your masculinity and make a change then Rise of the Masculine Embrace Your Inner King is the book for you It s time to rise up and reclaim what s rightfully yours Buy this book today      *Does God Make the Man?* Stewart M. Hoover, Curtis D. Coats, 2015-10-02 Many believe that religion plays a positive role in men s identity development with religion promoting good behavior and morality In contrast we often assume that the media is a negative influence for men teaching them to be rough and violent and to ignore their emotions In *Does God Make the Man* Stewart M Hoover and Curtis D Coats draw on extensive interviews and participant observation with both Evangelical and non Evangelical men including Catholics as well as Protestants to argue that neither of these assumptions is correct Dismissing the easy notion that media encourages toxic masculinity and religion is always a positive influence Hoover and Coats argue that not only are the linkages between religion media and masculinity not as strong and substantive as has been assumed but the ways in which these relations actually play out may contradict received views Over the course of this fascinating book they examine crises contradictions and contestations crises about the meaning of masculinity and about the lack of direction men experience from their faith communities contradictions between men s religious lives and media lives and contestations among men s ideas about what it means to be a man The book counters common discussions about a crisis of masculinity showing that actual men do not see the world the way the crisis talk has portrayed it and interestingly even Evangelical men often do not see religion as part of the solution      *Chemical Abstracts Service Search Guide* American Chemical Society. Chemical Abstracts Service, 1967      *Ian McEwan's Enduring Love* Peter Childs, 2007-01-24 Renowned author Peter Childs explores the intricacies of Ian McEwan s haunting novel providing a guide to the wealth of contextual and critical material that surrounds it      *The Kaleidoscope of Gender* Catherine G.
