Calendar Routine Posters

1. Print on cardstock
2. Cut and paste on matching colored construction paper
3. Have each poster laminated
4. Attach to calendar area bulletin board

*Because these are laminated, you or your students could write on these with dry erase markers. Erasing with a magic eraser seems to work best!

*I place a piece of Velcro on the "Today's weather is" chart and a piece of Velcro on the back of each weather square.

*I reuse the weather tally chart from month to month, but do record each month's weather on a copied weather tally chart so that we can save and compare the months' weather patterns.

Number Sense Routines Jessica F. Shumway, 2018 Upper elementary teachers have a big job to help students deepen their mathematical understanding and become more efficient mathematicians *Number Sense Routines Developing Mathematical Understanding Every Day in Grades 3 5* is about tapping into every child's innate number sense

and providing daily connected experiences that are responsive to children's learning needs. Through familiar five ten or fifteen minute warm up routines author Jessica Shumway offers both beginner and veteran teachers easy and effective ways to build and solidify students number sense foundations. No matter how familiar the routine Jessica infuses each with new joy depth and life. She reveals the careful thinking and planning that goes into each routine and provides detailed vignettes and dialogues of how they unfold in real classrooms. She gives teachers a clear view into her nuanced facilitation. Each routine becomes an exciting opportunity to understand where students are in their understanding and to help students articulate and extend their mathematical thinking. Not only will these routines help develop students mathematical understanding as they move towards using standard algorithms but teachers will learn to better recognize the big ideas that emerge in discussions how to encourage important strategies based in number sense and how to facilitate discussions on key mathematical concepts.
